The Mortality charge is deducted monthly through cancellation of units. Fund management charge is adjusted in the Unit Price.

KEY BENEFITS

Maturity Benefit

On maturity of the policy, you will receive the Fund Value, if all due premiums are paid up to date. You will also have an option to receive the Maturity Benefit as lump-sum or as a systematic payout for a maximum of five years under Settlement Option.

Death Benefit

In case of unfortunate death of the Life Assured during the Policy term, if all due premiums are paid up to date, the Death Benefit payable will be:

a. Higher of, Prevailing Sum Assured^ or Regular Premium /Single Premium Fund Value plus
b. Higher of, Top-up Sum Assured or Top-up Premium Fund Value

The Death Benefit is subject to the Guaranteed Death Benefit% of 105% of the Total Premiums paid including any top Premiums, till the date of death.
All the above is paid as on date of receipt of intimation of death at the Insurance Company's office. The risk cover will terminate on the date of intimation of death of the life assured.
Note:

- *% Sum Assured/Paid up sum assured: The Benefit shall be reduced to the extent of the partial withdrawals (systematic and non-systematic) made from the Regular/single Premium Fund during the two (2) year period immediately preceding the death of the Life Assured*
- *^Prevailing Sum Assured is Sum Assured in any year after the latest reduction of premium, if any.*

Additional Allocation

During the first policy year:

- In case of limited/regular premium payment policies, 3% of each modal Premium paid by you will be added to your Regular Premium Fund Value at the time of allocation of each premium
- In case of single premium policies, 1% of Single Premium by you will be added to the Single Premium Fund Value at the time of allocation of the single premium.

Note:

i) The Additional Allocation will be added into each fund and will be as per the premium apportionment percentages as on the date of addition. Unit Price as on the date of addition will be used for the unitization.
ii) There will be no additional allocation with respect to any Top-Up premium paid.
iii) There will be no Additional Allocation in the 2nd policy year and thereafter.

For Example:
Alok, a 45 years old Software Engineer invested in Bajaj Life Goal Based Saving III. He has chosen to pay a Premium of Rs.6,00,000 p.a. for a payment term of 10 years with a sum assured of Rs.60 Lakhs. He has chosen a Policy term of 15 years.

- In this case, Rs.18,000 will be added to the fund value at the time of allocation of premium in the 1st year.

Return of Mortality Charge (ROMC) [For Regular/Limited Premium payment policies only]

At the end of the policy term, on the maturity date, if all premiums under the policy are paid up to date, the total amount of all mortality charges deducted throughout the policy term,

a. With respect to regular/limited premium, multiplied by a factor (dependent on premium band of the policy as mentioned below) will be added into the Regular Premium Fund Value

Annualized Premium	Factor
Less than 1,20,000	100%
1,20,000 to less than 2,40,000	110%
2,40,000 and above	125%

b. With respect to Top-Up Premium, if any, 100% of all mortality charges deducted throughout the policy term will be added to the Top-Up Premium Fund Value.

i) The above will exclude any extra mortality charge and/or any GST with respect to mortality charge deducted.

ii) If the option to reduce Regular/Limited Premium is chosen at any time during the policy term, the factor as per the above table, used to arrive at the Return of Mortality charge amount, will be as based on the reduced Annualized Premium

iii) The Return of Mortality Charge (ROMC) will be added into each fund and will be in the same proportion of the Fund Value as on the date of addition. Unit Price as on the date of addition will be used for the unitisation.

iv) No ROMC will be available in a surrendered policy, a discontinued policy or a policy converted to paid-up.

v) Return of Mortality Charge is not available with respect to Single Premium or the Top-up Premiums, if any, paid in a single premium payment policy.

Age calculated is age as at the last birthday

Risk cover (including for minor lives) will commence immediately on the date of commencement of risk in the policy. In the case of a minor life, the policy will vest on the life assured on the earlier of attainment of age 18 years last birthday or maturity date.
Prevailing Sum Assured is based on the prevailing Annualized Premium and applicable Sum Assured option

Non-Payment of Premiums- Only Applicable for Regular/Limited premium payment option only

a) On Discontinuance of regular/limited premiums due during the first five (5) policy years, the policy will be converted immediately & automatically, to a discontinued life policy (without any risk cover, Guaranteed Benefit and ROMC) at the end of the grace period, and the Regular Premium Fund Value less the discontinuance/surrender charge along with Top-Up Premium Fund Value, will be transferred to the discontinued life policy fund.
   i) A notice will be sent by the company to the policyholder within three (3) months from the date of first unpaid premium, informing the policyholder of the status of the policy and requesting to revive the policy or, communicate to the company agreeing to revive the policy within the revival period of three (3) years from the date of first unpaid premium, by paying all due regular/limited premiums.
   ii) If the policyholder has opted to revive the policy but has not revived the policy within the revival period, immediately & automatically, the discontinuance value shall be payable as the surrender value at the end of lock-in period of five (5) policy years or at the end of the revival period, whichever is later.
   iii) If no communication is received from the policyholder with respect to revival of the policy, the discontinuance value shall be payable as the surrender value, immediately & automatically, at the end of lock-in period of five (5) policy years.
   iv) At any time the policyholder has the option to completely surrender from the policy without any risk cover, Guaranteed Benefit, ROMC and receive the discontinuance value (as surrender Value) at the end of the lock-in period of five (5) policy years or the date of surrender, whichever is later.

b) On Discontinuance of regular/limited premiums due after the lock-in period of five (5) policy years, the policy will be, immediately & automatically, converted to a paid-up policy at the end of the grace period, with risk cover under the base policy to the extent of the paid-up sum assured, subject to Guaranteed Death Benefit without any ROMC. The paid-up sum assured will be the Prevailing Sum Assured in the policy multiplied by the proportion of the number of premiums paid to the number of premiums payable in the policy. All charges as per the terms & conditions of the policy will be deducted.
   i) A notice will be sent by the company to the policyholder within three (3) months from the date of first unpaid premium, informing the policyholder of the status of the policy and requesting him to exercise one of the options mentioned below.
      1) Option A: Revive the policy or, communicate to the company agreeing to revive the policy within the revival period of three (3) years from the date of first unpaid premium, by paying all due prevailing regular/limited premiums, OR
      2) Option B: Intimate the company to completely withdraw from the policy without any risk cover or any additional rider cover and receive the surrender value under the policy as on the date of receipt of such intimation.

ii) If the policyholder has chosen the Option A above but does not revive the policy during the revival period, or the company does not receive any communication from the policyholder, the policy shall be treated as a paid-up policy, as mentioned in section b) above. At the end of the revival period, if the policy has not been revived, the surrender value under the policy as at the end of the revival period will be payable to the policyholder, immediately & automatically.

iii) If the policyholder decides to surrender the policy as per Option B above, the surrender value under the policy as on the date of receipt of such intimation, will be payable to the policyholder.

c) Notwithstanding anything mentioned above, on the death of the life assured,

i) If the policy is discontinued as per sub-section a) above, the discontinuance value as on the date of receipt of intimation at the Company's office, shall be payable as death benefit, and, then, the Policy will terminate.

ii) If the policy is discontinued as per sub-section b)i)(1) above, the higher of the [paid up sum assured or regular premium fund value] plus higher of the [Top-Up sum assured or Top-Up Premium Fund Value], if any subject to Guaranteed Benefit, all, as on the date of receipt of intimation, shall be payable as the death benefit, and, then, the Policy will terminate.

Revival

A Discontinued Policy can only be revived subject to following conditions:

- The Insurance Company receives the request for revival from you within three (3) years from the date of discontinuance of the Policy provided the Policy is not terminated already.
- Such information and documentation as may be requested by the Insurance Company is submitted by you at your own expense.
- The Policy may be revived on the original Policy terms & conditions, revised terms & conditions or disallowed revival, based on board approved underwriting guidelines.
- On revival of the Discontinued Policy,
  1. All the due but unpaid Regular Premiums collected, without charging any interest or fee, will be unitized.
  2. The Discontinuance Value of the Policy together with the amount of Discontinuance/Surrender Charge (without any interest) as deducted by the Company shall be restored to the applicable Fund/s available at the time of discontinuance, at their prevailing Unit Price.
  3. The Policy will be revived restoring the risk cover, Guaranteed Benefit, Additional Allocation and Return of Mortality Charge.
  4. The Premium Allocation Charge, Policy Administration Charge, as applicable, during the Discontinuance period shall be deducted from Regular Premiums paid or from the Fund/s at the time of revival

Computation of Unit Price

The Unit Price of the fund shall be computed as the market value of the existing investment held in the fund plus value of current assets less value of current liabilities and provisions, if any, divided by the number of units existing on the Valuation Date. This calculation will be done before creation/ redemption of units.

Force Ma'jeure

a) As per IRDAI (Insurance Product) Regulation 2024, Schedule I, Clause 2, Section A, Sub-Section v, the company will declare a 'Single' Unit Price or Net Asset Value (NAV) for each segregated fund on a day-to-day basis.

b) The company specifies that, in the event of certain force majeure conditions, the declaration of Unit Price or NAV on a day-to-day basis may be deferred and could include other actions as a part of investment strategy (e.g. taking exposure of any Segregated Fund (SFIN) up to 100% in Money Market Instruments
[as defined under Regulations 1(8) of the IRDAI (Actuarial, Finance and Investment) Regulations, 2024])

c) The Company shall value the Funds (SFIN) on each day for which the financial markets are open. However, the Company may value the SFIN less frequently in extreme circumstances external to the Company i.e. in force majeure events, where the value of the assets is too uncertain. In such circumstances, the Company may defer the valuation of assets for up to 30 days until the Company is certain that the valuation of SFIN can be resumed.

d) The Company shall inform IRDAI of such deferment in the valuation of assets. During the continuance of the force majeure events, all request for servicing the policy including policy related payment shall be kept in abeyance.

e) The Company shall continue to invest as per the fund mandates. However, the Company shall reserve its right to change the exposure of all or any part of the Fund to Money Market Instruments [as defined under Regulations 1(8) of the IRDAI (Actuarial, Finance and Investment Functions of Insurers) Regulations, 2024] in circumstances mentioned under points (a and b) above. The exposure to of the fund as per the fund mandates shall be reinstated within reasonable timelines once the force majeure situation ends.

f) Some examples of such circumstances [in Sub-Section a) & Sub-Section b) above] are:
   i) When one or more stock exchanges which provide a basis for valuation of the assets of the Fund are closed otherwise than for ordinary holidays.
   ii) When, as a result of political, economic, monetary or any circumstances out of the control of the Company, the disposal of the assets of the Fund are not reasonable or would not reasonably be practicable without being detrimental to the interests of the continuing Policyholders.
   iii) In the event of natural calamities, strikes, war, civil unrest, riots and bandhs.
   iv) In the event of any force majeure or disaster that affects the normal functioning of the Company.

In such an event, an intimation of such force majeure event shall be uploaded on the Company's website for information.
