- The policyholder has the option to alter the premium payment frequency during the premium payment term.
- For all ages, the risk cover will start immediately upon commencement of the policy.
- In case the policyholder and life assured are different the company shall follow the principle of insurable interest as driven by the 'Board Approved Underwriting Policy'.

Plan Benefits In Detail

Death Benefit

In case of death of the life assured before the date of vesting, provided the policy is in force as on the date of death, the company will pay the claimant the sum of base death benefit and top-up death benefit (if any), (as applicable on the date of intimation of the death of the life assured):

The [^^]Base Death Benefit is the highest of:

- Base Fund Value[##] or Base sum assured on death; where Base sum assured on death[**] is 105% of the premiums paid (excluding Top-Up Premiums) up to the date of death.
- Top-up death benefit is the highest of Top-Up Sum Assured[4] and Top-Up Fund Value[2]

[##] Base Fund Value shall include Loyalty Additions only, if any.
[**] Base sum assured on death shall be reduced only to the extent of partial withdrawals with respect to the Base Fund Value[1] during the two-year period immediately preceding the death of the life assured.
[1] Base Fund Value means summation of number of units in each segregated fund multiplied by the respective unit price/ NAV.
[2] Top-Up Fund Value is equal to the total units in respect of the Top-Up Premiums, if any, received under the policy multiplied by the respective unit Price/NAV as on valuation date.
[4] Top-Up Sum Assured means the additional sum assured basis the Top-Up Premiums and is equal to 105% of each Top-Up Premium[#] paid.
[$] Total Premiums Paid means total of all the premiums received under the base product including Top-up Premium[#] paid, if any.
[@] Total Fund Value is the sum of Base Fund Value[1] and Top-Up Fund Value.[2]

Utilization Of Death Benefit

On death of the life assured prior to the vesting date, the nominee will have the following options:

- Withdraw the entire death benefit under the policy; or
- To utilize the entire Death Benefit of the Policy or part thereof for purchasing an immediate annuity (subject to minimum Annuity as allowed by Regulations as amended from time to time) or deferred annuity at the then prevailing annuity rate from the Company. In case the proceeds of the death benefit is not sufficient to purchase minimum annuity as specified in clause 5 of Schedule I of IRDAI (Insurance Products) Regulations, 2024, (as amended from time to time) such proceeds of the policy may be paid to the nominee or beneficiary as lump sum.

The purchase of annuity shall be subject to terms and conditions of the product. In case the death benefit is not sufficient to purchase minimum annuity as required by regulations, nominee must utilize default option, i.e. withdraw the entire death benefit under the policy.

Vesting Benefit

On survival of life assured till the date of vesting provided all the premiums are paid and the policy is in force, Total Fund Value[@] would be paid as a lumpsum amount.
Total Fund Value = Base Fund Value[1] + Top-up Fund Value[2]
[@]Total Fund Value will include the following benefits:

1. **Return of Mortality Charges**: An amount equal to total of mortality charges (including the extra mortality charges, if any), which were deducted from the fund during the policy term will be added back to the Base Fund Value[1]and Top-up Fund Value[2]if any) on the date of vesting, provided all due premiums have been received.

2. **Loyalty Additions**
   a. With this fund boosting feature, the policyholder will receive loyalty units which will be added at the end of every policy year starting from 10th policy year and thereafter till the end of policy term provided the premium is greater than or equal to ₹60,000 per annum.
   b. Loyalty units are expressed as a percentage of the average of preceding 24 months' fund value and will be added into the Base Fund Value[1] on the policy anniversary as specified in the table below.
   c. This benefit is applicable only if all due premiums have been paid up to the date of each Loyalty Addition.
   d. Loyalty Additions will not be applicable to any Top up Fund value. Amount of Loyalty Addition will be allocated in funds in the same proportion as of the Base Fund Value[1] as on the date of addition.
   e. Allocation of loyalty units is guaranteed and shall not be revoked by the company under any circumstances.

Loyalty additions percentages are provided below:

End of policy year	10th year -19th year	20th year till end of Policy term
Loyalty Addition	0.20%	0.40%

Utilization Of Vesting Benefit

The policyholder will have the following options on the vesting date:

1. To utilize the entire vesting benefit to purchase immediate annuity or deferred annuity from the Company at the then prevailing annuity rate, or
2. To commute up to 60% and utilize the balance amount to purchase immediate annuity or deferred annuity from the Company at the then prevailing annuity rate.
3. To purchase immediate annuity or deferred annuity from another insurer at the then prevailing annuity rate to the extent of 50%, of the entire vesting benefit of the policy net of commutation or such percentage, as may be prescribed by the IRDAI from time to time.

Postponement Of Vesting Benefit

On the date of vesting, in addition to the above, you have an option to postpone the vesting date of the policy (the date on which you will get the Vesting Benefit from your policy) provided your age is below an age of 60 years at the time of exercising this option. On receipt of a request for postponement, we shall reset the vesting date to the revised date and accordingly the policy term will get extended. All policy benefits will continue with the revised policy term and all applicable charges will be deducted for the extended period. The loyalty additions shall become payable on the revised vesting date.

Tax Benefits

Premiums paid may be eligible for tax benefits under the Income Tax Act, 1961, subject to the provisions contained therein. Part of the benefit can be taken as tax-free commuted value, as prescribed under the Income Tax Act, 1961. The remaining amount (or full amount) can be used to purchase a life annuity at the then prevailing annuity rates It is recommended that you obtain professional advice for applicability of Income Tax benefit on premiums paid and benefits received. Tax laws are subject to amendments from time to time. The Company does not assume responsibility on tax implication mentioned anywhere in this document.

Investment Options And Portfolio Strategies

You have the option to choose from two portfolio strategies:

- Self-Managed Portfolio Strategy
- Target Asset Allocation Strategy

Self-Managed Portfolio Strategy

Under this portfolio strategy, you have the option to allocate your premium in any of the 4 segregated funds and tailor your investment approach to meet your financial objectives. The asset allocation under each segregated fund is provided in the table below. You can choose one or more funds and, in any proportion (as %, in whole number) within the Self-managed Portfolio Strategy. You will have to specify the premium allocation in each fund chosen.

Fund Name	Segregated Fund Identification Number (SFIN)	Objective	Risk Rating	Equity and Equity related instruments	Fixed Income Securities	Money Market & Fixed Interest Instruments, Cash & equivalents
Pension Enhanced Equity Fund	ULIF00605/01/09PEEQUITY0138	This fund will aim to invest in a well-diversified portfolio of equity instruments and generate attractive returns in the long term.	High	75%-100%	0%-25%	0%-25%
Pension Nifty 500 Momentum Quality 50 Index Fund	ULIF02309/12/24PMULTI5000138	To generate long-term capital appreciation from a portfolio that is predominantly based on the Nifty 500 Multicap Momentum Quality 50 index, capped by the regulatory limits on stocks, sectors and groups. Pension Debt Fund	ULIF00805/01/09PDEBT0138	This fund aims at generating attractive investment income by taking interest rate views and investing in a diversified portfolio of government debt, corporate debt and money market instruments of varying maturities.	Moderate	0%	0% - 100%	0% – 100%

Pension Mid Cap Fund	ULIF02209/12/24PMIDCAP0138	The fund will aim to invest predominantly (>60%) in mid cap stocks (101st to 300th Companies based on full market capitalization) for providing long-term capital appreciation. The fund can also invest in money market, cash and cash equivalent, and other fixed interest instruments up to 20%.	Very High	80% - 100%	0%	0% - 20%

Target Asset Allocation Strategy

- This strategy enables you to choose an asset allocation that is best suited to your risk appetite and maintains it throughout the policy term. You can allocate your premiums between any two funds available with this policy, in the proportion of your choice.
- Your portfolio will be rebalanced every quarter to ensure that this asset allocation is maintained. The re-balancing of units shall be done on the last day of each Policy quarter.
- If the last day of the quarter is a non-working day, then the next working day's NAV will be applicable. You can avail this option at inception or at any time later during the Policy Term

This option can be chosen at policy inception or anytime during the policy term.

Optional Flexibilities

Switching Between Portfolio Strategies

- Switching from "Target Asset Allocation Strategy" to "Self-Managed Portfolio Strategy" is allowed once every policy year, anytime during the policy term free of charge.
- Switch from "Self-Managed Portfolio Strategy" to "Target Asset Allocation Strategy" is allowed once every policy year. This switch is free of charge.

  On moving to the Target Asset Allocation Strategy, you must specify the proportions amongst the choice of funds available in which the existing funds and future premium should be allocated.

Top Up Premiums

The policyholder has the option of paying Top-up Premium# besides base premium payments specified in the contract subject to the following conditions:

- Top-up Premium# can be made anytime during the policy term.
- The minimum Top-up Premium# is ₹5,000, which may change in future subject to approval from the PMC.
- No due regular/limited premium should remain unpaid on the date of Top-up Premium# payments.
- If a regular/limited premium is due and Top-Up premium is received, such an amount will first be used to pay all due premiums. The balance money, subject to minimum amount may be applied as a Top-Up.
- For units pertaining to Top-ups, there will be a lock-in period of 5 years for partial withdrawal for each top up, except in case of complete surrender of the policy.

- Each top-up premium will be treated as single premium for all purposes and shall provide a life cover equal to 105% of the Top-Up premium.
- Acceptance of Top-up Premium[#] is subject to Board Approved Underwriting Policy
- This facility cannot be exercised by anyone else other than policyholder.

Liquidity Through Partial Withdrawal

During the policy term, you may need money to fulfil certain immediate financial needs hence the partial withdrawal facility gives you the option to withdraw money from your fund value after first 5 policy years provided first five years premiums is received.

The following conditions apply on partial withdrawals:

1. Total Fund Value[@] will be taken into account for partial withdrawals. Partial withdrawals made shall be allowed first from the Top-Up Fund if any (as long as such fund value supports the partial withdrawal and is not covered by lock-in) and subsequently, the partial withdrawals may be allowed from the Base Fund Value[1].
2. The minimum value of each partial withdrawal is ₹5,000. The Company may increase this limit in future subject to approval from PMC.
3. The maximum amount of partial withdrawal allowed in any policy year (including all partial withdrawals made during that policy year) is 25% of the Total Fund Value[@] at the beginning of that policy year.
4. Minimum amount required to be maintained in the Base fund after partial withdrawal is two years' Annualized Premium[^]. In case premium reduction facility has been opted for, then the Annualized Premium[^] would refer to the revised Annualized Premium[^].
5. Partial withdrawal is allowed only three times during the entire term of the policy.
6. For units pertaining to Top-ups, there will be a lock-in period of 5 years for partial withdrawal for each top up.
7. The sum assured shall be reduced by all partial withdrawals made with respect to the Base Fund Value[1] from the base premium during the 2 (Two) policy years immediately preceding the life assured's death.
8. The partial withdrawals with respect to the Base Fund Value[1] shall only be counted for the purpose of adjusting the Sum Assured to be payable on death. Partial withdrawals made from the top-up premiums shall not be deducted for this purpose.
9. Partial withdrawals which would result in termination of the policy shall not be allowed.
10. Partial withdrawal shall be allowed only against the following reasons:
    a. Higher education of children, including legally adopted child.
    b. Marriage of children, including legally adopted child.
    c. Purchase or construction of a residential house or flat in the Life Assured's own name or in joint name with their legally wedded spouse. However, if the Life assured already owns a residential house or flat (other than ancestral property), no withdrawal shall be permitted.
    d. For treatment of critical illnesses of self, spouse or dependent children, including legally adopted child.
    e. Medical and incidental expenses arising from disability or incapacitation suffered by the life assured.
    f. Expenses incurred by the life assured for skill development/re-skilling or any other self-development activities.
    g. Expenses incurred by the Life assured for the establishment of her/his own venture or any start-ups.

Change In Premium Payment Term

This option allows the policyholder to change the premium payment term (PPT) in his/her policy.

- The option to increase/decrease the PPT will be available to exercise any time after lock-in period of 5 years and provided all due premiums have been paid till date.
- To avail this facility, the policyholder must intimate the company at least 30 days prior to due date of last instalment premium during the premium payment term.
- The change in PPT is subject to the available premium payment term and policy term combinations.
- The PPT can be changed only for limited pay policies. The policy term shall remain the same as selected at inception of the policy.
- The change will be subject to the prevailing Board Approved Underwriting Policy of the Company.

Reduction In Premium

- Reduction in premium option available for both regular and limited premium payment options.
- The prevailing premium can be reduced under the policy after the first five policy years.
- The reduction can be up to a maximum of 50% of the premium at the inception of the policy, subject to minimum Annualized Premium^ payable under the product.
- Once reduced, the same cannot be increased even to the premium at inception of the policy.
- Top-up Premium# can be paid even after availing reduction in premium option.
- No due regular/limited premium should remain unpaid on the date of availing this option.

Premium Redirection

This feature allows the policyholder to change the premium proportions in various segregated Funds. The new premium proportions will be applicable for all future premiums paid, including Top-Ups. This facility is only applicable for Self-Managed Portfolio Strategy and will be processed free of charge in any policy year.

Switching Between Funds

The policyholder can use this facility to transfer their existing investment from one unit linked fund to another. This option is available only with the Self-Managed Portfolio Strategy.

The policyholder will have to specify the amount or percentage of the fund s/he wants to switch from one fund to another. There is no restriction on the number of switches policyholder can make and all switches will be free of charge but only policyholder can exercise this option. Any automatic switching under Target Asset Allocation Strategy will not be considered as switch.

Surrender

Policy Surrendered During the Lock-in Period

- The fund value net of Policy Discontinuance Charges shall be credited to the Discontinued Policy Fund. With respect to the policy surrendered during lock-in period, the fund value credited to the Discontinued Policy Fund will continue to be invested in Discontinued Policy Fund till the end of lock-in period or death of life assured, whichever is earlier.
- On death of life assured before end of lock-in period, death benefit will be the Discontinued Policy Fund as on date of death of policyholder and must be utilized by the nominee in the same manner as death benefit.
- On survival of the policyholder till the end of lock-in period, the policy will be terminated and Discontinued Policy Fund as on that date will be utilized by Policyholder in the same manner as vesting benefit.

Policy Surrendered After Completion Of Lock-in Period

In case the policy is surrendered after completion of lock-in period, the policy stands terminated and fund value as on date of surrender must be utilized by policyholder in the same manner as vesting benefit.
The policy will terminate thereafter upon payment of the Surrender Value.

What If I Am Not Happy With The Plan After Buying It? (Free Look Period)

Every Policyholder shall be provided a free look period of thirty (30) days from the date of receipt of the policy document, whether received electronically or otherwise to review the terms and conditions of the policy, where if you disagree with any of the terms and conditions or otherwise and have not made any claim you have the option to return the policy stating the reasons for objection. Upon return, the policy will terminate forthwith and all rights, benefits and interests under the policy will cease immediately. You shall be entitled to an amount which will be equal to non-allocated premium plus charges levied by cancellation of units plus Total Fund Value[@]at the date of cancellation less risk proportionate charge for the period of cover, rider charges, if applicable, expenses incurred on medical examination of the life assured, if any, and stamp duty.

What If I Missed My Premium Due Date? (Grace period)

Grace period is a period of 15 days for monthly premium payment frequency and 30 days for all other frequencies, from the due date for payment of policy premium. The policy will be in-force during the grace period. During the grace period all charges under the policy will continue to apply.
In case of death of the life assured during the Grace period, full death benefit as applicable on date of intimation of death will be payable.

What Happens If I Stop Paying The Due Premiums?

It is recommended that you pay all premiums for the period selected to be able to enjoy all policy benefits. However, at any stage if you stop paying premiums and it remains unpaid at the expiry of the grace period, the treatment of the policy will depend on whether the premium is discontinued during lock-in period of the policy or after it.

Discontinuance Of Premium During Lock-In Period Of The Policy

- If the premium is not received before the expiry of the grace period, we will, within 3 (three) months of the first unpaid premium, communicate to you the status of the policy and provide the option to revive the policy within the revival period.
- On discontinuance of policy due to non-payment of premium we will, on the date of discontinuance, transfer the Total Fund Value by creation of units into the Discontinuance Policy Fund after deducting applicable discontinuance/surrender charges. The risk cover and rider cover, if any, will terminate on the date of discontinuance. No further charges will be levied by us other than the fund management charge applicable on the Discontinuance Policy Fund.
- In case you opt to revive the policy but do not revive the policy during the revival period, we will close the unit account and pay the proceeds from the Discontinuance Policy Fund to you at the end of the revival period or lock-in period whichever is later. The proceeds of the discontinued policy fund must be utilized by Policyholder in the same manner as vesting benefit.
- In case of revival period ending after lock-in period, the policy will remain in Discontinuance Policy Fund till the end of revival period without any risk cover.

- In case the policyholder does not exercise the option as set out above, the policy shall continue without any risk cover and rider cover, if any, and the policy fund shall remain invested in the discontinuance fund. At the end of the lock-in period, the proceeds of the Discontinuance Policy Fund shall be paid to the policyholder which must be utilized by Policyholder in the same manner as vesting benefit.
- However, the policyholder has an option to surrender the policy anytime and proceeds of the Discontinuance Policy Fund shall be payable at the end of lock-in period or date of surrender whichever is later. This amount must be utilized by Policyholder in the same manner as vesting benefit.

  Here, "Proceeds of Discontinuance Policy Fund" is the discontinuance fund value after addition of the entire income earned for the period of investment in the Discontinuance Policy Fund net of applicable fund management charges, subject to a minimum guarantee of the interest, at the rate prescribed by IRDAI from time to time.

  If the policy is in discontinuance status during the lock-in period, death benefit is the value of the Discontinuance Policy Fund as on date of intimation of death.

Discontinuance Of Premium After Lock-In Period Of The Policy

1. If the premium is not received before the expiry of the grace period, the policy will be converted into a reduced paid up policy where the paid-up sum assured will be 105% of the total premiums paid till the date of discontinuance. The policy shall continue to be in reduced paid-up status without rider cover (where rider premium is recovered in the form of charge), if any. All charges as per terms and conditions of the policy may be deducted during the revival period. However, the mortality charges shall be deducted based on the reduced paid up sum assured only.
2. On such discontinuance, we will within three(3) months of the first unpaid premium, communicate to you the status of the policy and provide the following options:
   a. To revive the policy within the revival period of three years, or
   b. Complete surrender of the policy.
3. In case you opt to revive the policy but do not revive the policy during the revival period, we will pay the Total Fund Value[@] as at the end of the revival period or date of vesting, whichever is earlier. This amount must be utilized by Policyholder in the same manner as vesting benefit.
4. In case the policyholder does not exercise any option as set out above, the policy shall continue to be in reduced paid up status. At the end of the revival period or vesting, whichever is earlier, the Total Fund Value[@] shall be paid to the policyholder which must be utilized by policyholder in the same manner as vesting benefit.
5. However, the policyholder has an option to surrender the policy anytime during the revival period. Upon receipt of the request, we will pay the Total Fund Value[@] and terminate the policy. This amount must be utilized by Policyholder in the same manner as vesting benefit.

Return of Mortality Charge and Loyalty Additions (if any) shall not be applicable if the policy is in reduced paid-up status. However, any additions made before the policy is converted to reduced paid-up status shall not be reversed.

The death benefit under a paid up policy will be as follows:

- Higher of: (Paid-up sum assured on death[^^]) or (Base Fund Value[1] as on date of intimation of death); Where paid-up sum assured on death[^^] 105% of the Premiums paid up to the date of death.
- Plus top-up death benefit (if any).

[^^] Paid-up sum assured on death shall be reduced only to the extent of partial withdrawals with respect to the Base Fund Value during the two-year period immediately preceding the death of the life assured.

Vesting Benefit for a paid-up policy will be Total Fund Value[@] as on date of vesting. This amount must be utilized by Policyholder in the same manner as vesting benefit.

The policy will terminate upon payment of death benefit or surrender benefit or vesting benefit.

How Do I Revive My Lapsed Policy?

Once the policyholder revives the policy, the policy shall be revived restoring the risk cover and the rider cover, (where rider premium is recovered in the form of charge), if any, along with the investments made in the segregated funds as chosen by the policyholder less the applicable charges as described below in accordance with the terms and conditions of the policy.

1. You can revive the lapsed or paid-up policy within 3 consecutive years from the due date of first unpaid premium and before the expiry of the policy term subject to the following conditions:
    a. Give us request on our website **www.bandhanlife.com/ iAssist** or via any other mode as may be acceptable to us to revive the policy or policy along with rider cover, if any; and
    b. Life assured produces evidence of insurability (in form of declaration of health condition and/or relevant medical reports specified by us) at your own cost, acceptable to us as per our underwriting policy; and
    c. You will pay us all overdue premiums.
2. The company, at the time of revival:
    a. Shall collect all due and unpaid premiums without charging any interest or fee.
    b. May levy policy administration charge and premium allocation charge as applicable during the discontinuance period. Guarantee charges, if applicable during the discontinuance period, may be deducted provided the guarantee continues to be applicable. No other charges shall be levied.
    c. Shall add back to the fund, the discontinuance charges deducted at the time of discontinuance of the policy if the policy was discontinued during the lock-in period.
    d. Will create units at the unit price as on the date of revival using the amount of premium paid on revival in accordance with the ratio in which the premium should be allocated in the funds specified by you.

Upon revival of a policy, all the benefits under the policy (along with the rider benefits, if any) will be restored and the policyholder will become eligible for all due return of mortality and loyalty additions, if applicable.

Force Majeure

1. The Company shall value the Funds (SFIN) on each day for which the financial markets are open. However, the Company may value the SFIN less frequently in extreme circumstances external to the Company i.e. in force majeure events, where the value of the assets is too uncertain. In such circumstances, the Company may defer the valuation of assets for up to 30 days until the Company is certain that the valuation of SFIN can be resumed.
2. The Company shall inform IRDAI of such deferment in the valuation of assets. During the continuance of the force majeure events, all request for servicing the policy including policy related payment shall be kept in abeyance.
3. The Company shall continue to invest as per the fund mandates. However, the Company reserves its right to change the exposure of all or any part of the Fund to Money Market Instruments [as defined under Regulations 1(8) of Schedule III (Part I) of IRDAI (Actuarial, Finance and Investment Functions of Insurers) Regulations, 2024 as amended from time to time] in circumstances mentioned under points (a and b) above. The exposure of the fund as per the fund mandates shall be reinstated within reasonable timelines once the force majeure situation ends.
4. Some examples of such circumstances (in Sub-Section a. & Sub-Section b. above) are:
    a. When one or more stock exchanges which provide a basis for valuation of the assets of the Fund are closed otherwise than for ordinary holidays.
    b. When, as a result of political, economic, monetary or any circumstances out of the control of the Company, the disposal of the assets of the Fund are not reasonable or would not reasonably be practicable without being detrimental to the interests of the continuing policyholders.
    c. In the event of natural calamities, strikes, war, civil unrest, riots, and bandhs.
    d. In the event of any force majeure or disaster that affects the normal functioning of the Company.
5. In such an event, an intimation of such force majeure event shall be uploaded on the Company's website for information.

4	Lower of 5% (AP or FV) subject to a maximum of ₹1,000	Lower of 2% (AP or FV) subject to maximum of ₹2000
5 onwards	Nil	Nil

AP – Annualized premium ^

FV – Fund value as on date of discontinuance

No Discontinuance Charge will be applied on Units in respect of Top Up Premium and Top-up Fund Value [2]

Terms And Conditions

Risk Factors

- The Premiums are invested in Segregated Fund(s) set up by the Company. Units are allocated to individual policies at a pre-defined allocation rate, with the price of units equal to the NAV of the fund. Units are allocated to the policy account when new money is invested in the funds and cancelled on claim by death, vesting, partial withdrawals, or in case of discontinuance, switching of funds, investment strategy changes or charges.
- Pension Nifty 500 Momentum Quality 50 Index Fund, Pension Debt Fund, Pension Enhanced Equity Fund and Pension Mid Cap Fund are the names of the Segregated Funds and do not in any manner indicate the quality of the Segregated Funds, their future prospects or returns.
- Investments in the Segregated Funds are subject to market and other risks and the achievement of the objectives of any of the Segregated Funds cannot be assured.
- The Company may from time to time change the asset portfolio allocation in the existing Segregated Funds with prior approval from the PMC.

Suicide Exclusion

If death occurs due to suicide within 12 months from the Date of Commencement of Risk under the policy or from the Date of revival of the policy, as applicable, the nominee or beneficiary of the life assured shall be entitled to the Total Fund Value[@], as available on the date of intimation of death.

Any Charges other than Fund Management Charges (FMC) and guarantee charges, if any recovered subsequent to the date of death of the life assured shall be added back to the Total Fund Value[@] as available on the date of intimation of death. The policy terminates upon payment of such benefit and no other benefits will be payable.

Foreclosure

If the Base Fund Value[1] at any time after the lock-in period is lower than one year's Annualized Premium[^], or the Base Fund Value[1] is inadequate for the deduction of the applicable policy charges, the policy shall be foreclosed, and any Discontinuance Fund Value /surrender value shall be available to you, as per the conditions in Discontinuance and Surrender section respectively. The implementation of this will ensure that some benefit is made available to you, which is fair to you. Before foreclosure of the policy, the policyholder will be given the option to pay any premium due under the policy, as applicable.

Policy Loan

Loans are not available under this plan.

Advance Premium

Advance instalment premium will be accepted for all premium due dates within the same financial year and for a maximum period of three months in advance in case of due dates are falling in the next financial year.

The advance premium so collected in advance shall only be adjusted on the due date of the premium.

Assignment And Nomination

- Assignment: Allowed as per section 38 of the Insurance Act 1938 as amended from time to time.
- Nomination: Allowed as per section 39 of the Insurance Act 1938 as amended from time to time.

Claimant

Claimant means the life assured (if alive) or policyholder (if different from the Life Assured) or the assignee or the Nominee or the legal heirs of Policyholder/Nominee(s) to whom the benefits under the Policy will be payable.

Prohibition Of Rebates

Section 41 of the Insurance Act, 1938 (as amended from time to time) states:

1. No person shall allow or offer to allow, either directly or indirectly, as an inducement to any person to take out or renew or continue an insurance in respect of any kind of risk relating to lives or property in India, any rebate of the whole or part of the commission payable or any rebate of the premium shown on the policy, nor shall any person taking out or renewing or continuing a policy accept any rebate, except such rebate as may be allowed in accordance with the published prospectuses or tables of the insurer.
2. Any person making default in complying with the provision of this section shall be punishable with fine, which may extend to ₹10 Lakhs.

Non-Disclosure

Section 45 of the Insurance Act, 1938 (as amended from time to time) states:

1. No policy of Life Insurance shall be called in question on any ground whatsoever after expiry of 3 years from the date of policy i.e. from the date of issuance of the policy or the date of commencement of risk or the date of revival of the policy or the date of the rider to the policy, whichever is later.
2. On the ground of fraud, a policy of Life Insurance may be called in question at any time within 3 years from the date of issuance of the policy or the date of commencement of risk or the date of revival of the policy or the date of the rider to the policy, whichever is later. For this, the insurer shall have to communicate in writing to the insured or the legal representatives or nominees or assignees of the insured, as applicable, mentioning the ground and materials on which such decision is based.

For full texts of Section 38, Section 39, Section 41, and Section 45, please refer to the Insurance Act, 1938 (as amended from time to time).
