• A life cover equal to Basic Sum Assured shall be available after maturity of the policy. Such benefit shall be payable upon the death of the life assured after the policy maturity or upon the life assured surviving to 100 years of age, whichever is earlier. • ^Some benefits are guaranteed, and some benefits are variable with returns based on the future performance of your insurer carrying on life insurance business. If your policy offers guaranteed benefits, then these will be clearly marked "guaranteed' in the illustration table. If your policy offers variable benefits, then the illustrations on this page will show two different rates of assumed future investment returns. Currently the gross investment returns are stipulated as 4% p.a. and 8% p.a. These assumed rate of return are not guaranteed, and these are not the upper or lower limits of what you might get back, as the value of your policy is dependent on a number of factors including actual future investment performance.

Benefits in Detail

Survival Benefit:

Provided the policy is in force and all due premiums have been paid, the following benefit will be paid:

The following type of bonuses are applicable under this plan. These bonuses are not guaranteed in nature.

The Company may declare Cash Bonus rate annually. The Cash Bonuses (if declared) will be applicable provided all due premiums have been paid. At inception, the policyholder has a choice to select one of the following two Cash Bonus payout options.

Cash Bonus

Cash Bonus, expressed as % of Basic Sum Assured, is payable every year on policy anniversary or on insured's birthday (as opted at inception) starting from the second policy year till the end of Policy Term. Cash Bonus is payable to the policyholder on policy anniversary or on his birthday (as opted at inception) following the date of bonus declaration.

Accumulated Cash Bonus

Any declared Cash bonus is not paid to the policyholder and instead accumulated at interest rate declared by the Company annually. The Accumulated Cash Bonus is payable at Death/Surrender/Maturity.

Under plan **Option 2,** at inception, the policyholder has an option to opt for extended life cover till age 100 years. Under this option, an additional benefit equal to Basic Sum Assured shall be payable upon the death of the life insured during ELC period or upon the life insured surviving to 100 years of age, whichever is earlier. No bonuses are payable during the ELC period.

Maturity Benefit:

Provided the policy is in force and all due premiums have been paid, the following benefits shall be payable at maturity:

Cash Bonus:

- Guaranteed Maturity Benefit
- Terminal Bonus, if any

Accumulated Cash Bonus:

- Guaranteed Maturity Benefit
- Accumulated Cash Bonus, if any
- Terminal Bonus, if any

The company may decide to pay terminal bonus on exit of the policy. The terminal bonus, if any, expressed as % of Basic Sum Assured may be payable after the completion of PPT or 5 policy years whichever is earlier as on date of exit.

Death Benefit:

On death of the life assured during the Policy Term, provided the policy is in force, the Sum Assured on Death as defined below plus Accumulated Cash Bonus and Terminal Bonus, if any, shall be payable.

Sum Assured on Death shall be defined as the highest of

- 11 times the Annualised Premium
- 105% of the Total Premiums Paid as on date of death
- Guaranteed Maturity Benefit
- Basic Sum Assured

Where,

Guaranteed Maturity Benefit is equals to Basic Sum Assured.

"Annualised Premium" shall be the premium paid in a year, excluding the underwriting extra premiums, loading for modal premiums, if any. Annualised Premium is sum of Base Premium and ELC premium.

"ELC Premium" is equal to ELC premium rate per 1000 Basic Sum Assured x Basic Sum Assured /1000

"Basic Sum Assured" is equal to the (Base Premium / Base Premium rate per 1000 Basic Sum Assured) x 1000

"Total Premiums Paid" refers to an amount equal to the total Annualised Premiums paid under the base product excluding any extra premium and taxes, if collected explicitly.

"Total Premiums Payable" refers to an amount equal to the Annualised Premium multiplied by the Premium Payment Term of the policy.

The "Interim Bonus" becomes payable in case of exits due to death/surrender before the next policy anniversary. In the event of a claim, an interim bonus (if applicable) may be payable at a rate as may be declared by the company. The interim bonus expressed as % of Basic Sum Assured shall be applicable for the policy existing between two policy anniversaries due to death claim or surrenders. The interim bonus will be proportionately calculated for the period starting from previous policy anniversary till the date of exit.

Cash Bonus:

In case of death of the life insured during the Policy Term, provided the policy is in force, the Sum Assured on Death plus Interim Bonus, if any and Terminal Bonus, if any, shall be payable.

Accumulated Cash Bonus:

In case of death of the life insured during the Policy Term, provided the policy is in force, the Sum Assured on Death plus Accumulated Cash Bonus, if any plus Interim Bonus, if any and Terminal Bonus, if any, shall be payable.

Under plan **Option 2**, at inception, the policyholder has an option to opt for extended life cover till age 100 years. Under this option, an additional benefit equal to Basic Sum Assured shall be payable upon the death of the life insured during ELC period or upon the life insured surviving to 100 years of age, whichever is earlier. No bonuses are payable during ELC period.

The policy will terminate upon the death of the insured and no other benefit under the policy shall be payable.

Additional Benefits and Features

Flexible premium payment modes:

You have an option to pay the premiums either Annually, Half-yearly, Quarterly and Monthly modes.

A modal loading on premiums will be applicable as mentioned below:

Annual Premium Rate	Multiply Annual Premium Rate by 1 (i.e. No loading)
Half Yearly Premium Rate	Multiply Annual Premium Rate by 0.51
Quarterly Premium Rate	Multiply Annual Premium Rate by 0.26
Monthly Premium Rate	Multiply Annual Premium Rate by 0.0883

Flexibility of Additional Coverage:

You have further flexibility to customize your product by adding the following optional riders.

- **Tata AIA Life Insurance Non-Linked Comprehensive Protection Rider (UIN:110B033V04 or any other later version)**
- **Tata AIA Vitality Health (UIN: 110B045V03 or any other later version)**
- **Tata AIA Vitality Protect (UIN: 110B046V04 or any other later version)**
- **Tata AIA Benefit Protection Rider (UIN: 110B049V03 or any other later version)**

These riders can be attached effective policy inception or any policy anniversary of the base plan subject to the rider premium payment term and the policy term shall not be more than the outstanding premium payment term and outstanding policy term for the base plan.

If there is overlap in benefit offered under different riders with the base product, then that benefit under the rider will not be offered.

Rider is not mandatory and is available for a nominal extra cost. For more details on the benefits, premiums and exclusions under the riders please refer to the Rider Brochure or contact our Insurance Advisor or visit our nearest branch office.

Grace Period:

If you are unable to pay your Premium on time, starting from the premium due date, a Grace Period of 15 days for monthly mode and 30 days for all other modes will be offered. During this period your Policy is considered to be in-force with the risk cover as per the terms & conditions of the Policy. If the full premium for the first Policy year remains unpaid at the end of their grace period, the policies shall lapse from the due date of the first unpaid premium and have no further value except as may be provided under the Non-Forfeiture Provisions. If any death claim occurs during the Grace Period, any due premiums (without interest) of the Policy for the Policy year, in which the event has occurred, will be deducted from the death claim payout.

Non forfeiture provisions:

- **Lapse**

On discontinuance of payment of premium during the first policy year, it will lapse at the end of the grace period and no further benefits shall be paid.

A lapsed policy can be revived during the policy term, within two years from the due date of the first unpaid premium.

- **Reduced Paid-Up**

Once the policy becomes reduced paid-up, Cash Bonuses are not declared in the subsequent years for that policy unless revived. The policy may participate for Terminal Bonus (TB), if any, before becoming reduced paid-up. The benefits to be paid in case of reduced paid-up policies are as follows.

Death Benefit:

On death of the life insured during the Policy Term, the following benefits shall be payable:

Cash Bonus

- Sum Assured on Death x RPU Factor plus

Accumulated Cash Bonus

- Sum Assured on Death x RPU Factor plus
- Accumulated Cash Bonus, if declared plus

The benefit shall be subject to a minimum of 105% of the Total Premiums Paid as on the date of death.

On death during ELC period, Basic Sum Assured x RPU Factor shall be payable.

Survival Benefit:

Cash Bonus – No further Cash Bonus will be payable.

Accumulated Cash Bonus – the Accumulated Cash Bonus is payable at maturity.

On survival till the end of ELC period, Basic Sum Assured x RPU Factor shall be payable.

Maturity Benefit:

On survival till the end of Policy Term, the following benefits shall be payable:

Cash Bonus

- Guaranteed Maturity Benefit x RPU Factor plus

Accumulated Cash Bonus

- Guaranteed Maturity Benefit x RPU Factor plus
- Accumulated Cash Bonus if declared plus

Surrender Benefit:

A Surrender value shall be payable on completion of one policy year, provided one full years' premium is paid.

The surrender value payable is higher of the Guaranteed Surrender Value (GSV) or Special Surrender Value (SSV).

In case ELC option is not opted (Option 1), GSV and SSV are as follows:

In case Cash Bonus is opted

- Guaranteed Surrender Value = (GSV Factor * Total Premiums Paid) less any survival benefits already paid

  SSV is determined by the company from time-to-time basis changing economic scenario. The Company may revise SSV based on then prevailing market conditions. Any change in the methodology/formula for calculating SSV shall be subject to IRDAI approval.

In case Accumulated Cash Bonus is opted

- Guaranteed Surrender Value = (GSV Factor * Total Premiums Paid)
- Special Surrender Value = SSV is determined by the company from time-to-time basis changing economic scenario. The Company may revise SSV based on then prevailing market conditions. Any change in the methodology/formula for calculating SSV shall be subject to IRDAI approval.

  Further, the SSV shall be adjusted for (1- RPU Factor) * survival benefits vested prior to surrender. The SSV shall be subject to minimum of Rs 0.

  In addition to the SSV, Accumulated Cash Bonus at time of surrender, if any, will also get paid.

In case ELC option is opted (Option 2), GSV and SSV are as follows:

During Policy Term

In case Cash Bonus is opted

- Guaranteed Surrender Value = (GSV Factor * Total Premiums Paid) less any survival benefits already paid
- Special Surrender Value = SSV is determined by the company from time-to-time basis changing economic scenario. The Company may revise SSV based on then prevailing market conditions. Any change in the methodology/formula for calculating SSV shall be subject to IRDAI approval.

  Further, the SSV shall be adjusted for (1- RPU Factor) * survival benefits paid prior to surrender. The SSV shall be subject to minimum of Rs 0.

In case Accumulated Cash Bonus is opted

- Guaranteed Surrender Value = (GSV Factor * Total Premiums Paid)
- Special Surrender Value = SSV is determined by the company from time-to-time basis changing economic scenario. The Company may revise SSV based on then prevailing market conditions. Any change in the methodology/formula for calculating SSV shall be subject to IRDAI approval

  Further, the SSV shall be adjusted for (1- RPU Factor) * survival benefits vested prior to surrender. The SSV shall be subject to minimum of Rs 0.

  In addition to the SSV, Accumulated Cash Bonus at time of surrender, if any, will also get paid.

During ELC period

Surrender Value = BSA x RPU factor x (SSV Factor (ELC Death Benefit) + SSV Factor (ELC Survival Benefit))

Where

"Reduced Paid-up (RPU) Factor" refers to the ratio of Total Premiums Paid to Total Premiums Payable.

Revival

If a premium is in default beyond the Grace Period and subject to the Policy not having been surrendered, it may be revived, within five years after the due date of first unpaid premium and before the date of maturity, subject to: (i) Policyholder's written application for revival; (ii) production of Insured's current health certificate and other evidence of insurability, satisfactory to the Company; and (iii) payment of all overdue premiums with interest.

Upon revival, the benefits of the Policy shall be restored with effect from the date of becoming lapsed/paid up.

The evidences and any medical requirements called for are in line with the prevailing underwriting guidelines duly approved by the Board & the health declaration by the life insured.

Any evidence of insurability requested at the time of revival will be based on the prevailing underwriting guidelines duly approved by the Board. The revival will be based on the Board approved underwriting policy.

The applicable interest rate for revival is determined using the SBI domestic term deposit rate for '1 year to less than 2 years', plus 2%. Any alteration in the formula will be subject to prior approval of IRDAI.

The interest rate on revival is verified & updated on our company's systems every six months (on 1st April & 1st Oct

every year) as per the given formula. The interest rate on revival from 1st October 2024 is 8.98% simple p.a. (i.e. SBI interest rate of 6.98% + 2%).

Terms and Conditions

Free Look Period

The policyholder has a free look period of 30 days from the date of receipt of the policy document to review the terms and conditions of the Policy. If the policyholder disagrees to any of those terms or conditions, he/she has the option to return the Policy for cancellation, stating the reasons for objection and be entitled to a refund of the premiums paid without interest after deduction of proportionate risk premium, stamp duty and medical examination cost along with applicable taxes and cesses or levies, if any.

Distance marketing includes every activity of solicitation (including lead generation) and sale of insurance products through the following modes:

i. Voice mode, which includes telephone-calling;
ii. Short Messaging service (SMS);
iii. Electronic mode which includes e-mail, internet and interactive television (DTH);
iv. Physical mode which includes direct postal mail and newspaper & magazine inserts; and,
v. Solicitation through any means of communication other than in person

Change in Basic Sum Assured

Any change in the Basic Sum Assured is not allowed post inception of the policy.

Policy Loan

Provided that the policy acquires Surrender Value, policyholders may apply for a policy loan for such an amount within the extent of 80% of Surrender Value. The Policy must be assigned to Tata AIA Life.

Loan Interest

Daily interest shall accrue on policy loan at a rate which the company shall determine. Interest shall be payable on each policy anniversary after the loan date and until the loan is repaid. Any unpaid interest shall be added to the principal loan and bear interest at the same rate. At any time while the policy is in force, policyholder may repay the principal and accrued interest, on any part of the loan.

When the loan with accrued interest exceeds the Surrender Value, the policy will become void.

Interest rate applicable to policy loan will be equal to the prevailing SBI (State Bank of India) domestic term deposit interest rate for tenure '1 year to less than 2 years' + 2%. This formula will be reviewed annually and only altered subject to prior approval of IRDAI of India. The interest rate on loans are

verified & updated on our company's systems every six months (on 1st April & 1st Oct every year) as per the given formula. The interest rate for Loan from 1st October 2024 is 8.98% p.a. (i.e. SBI interest rate of 6.98% + 2%) compounding annually.

Auto Vesting

Where the policy is issued on the life of a minor, the policy shall automatically vest in the life insured on his/her attaining age of majority. On vesting, the Company shall recognize the life insured to be the holder of the policy.

Exclusion

In case of death due to suicide within 12 months:

i. from the date of inception of the policy, the nominee or beneficiary of the policyholder shall be entitled to at least 80% of the premiums paid, provided the policy is in force or
ii. from the date of revival of the policy the nominee or beneficiary of the policyholder shall be entitled to an amount which is higher of 80% of the premiums paid till the date of death or the surrender value/policy account value as available on the date of death.

Tax Benefits

Premiums paid under this plan may be eligible for tax benefits under Section 80C of the Income Tax Act, 1961 and are subject to modifications made thereto from time to time. Moreover, life insurance proceeds enjoy tax benefits as per Section 10(10D) of the said Act.

Income Tax benefits may be available as per the prevailing Income Tax Laws, subject to fulfillment of conditions stipulated therein. Tata AIA Life Insurance Company Ltd. does not assume responsibility on tax implication mentioned anywhere in this document. Please consult your own tax consultant to know the tax benefits available to you.

Assignment

Assignment is allowed as per provisions of Section 38 of the Insurance Act 1938 as amended from time to time.

Nomination

Nomination is allowed as per provisions of Section 39 of the Insurance Act 1938 as amended from time to time.

Advance Premium

Collection of advance premium shall be allowed, only if the premium is collected within the same Financial Year. However, where the premium due in one financial year is being collected in advance in earlier financial year, the Company may collect the same for a maximum period of three months in advance of the due date of the premium. The premium so collected in advance shall only be adjusted on the due date of the premium.

Non-Disclosure and Misstatement

Any non-disclosure or misstatement shall be dealt as per the provisions of Section 45 of the Insurance Act 1938 as amended from time to time.
