Tata AIA Shubh Employee Protect

Non-linked, non-participating, pure risk, individual life insurance product

Life is full of uncertainties, and the unexpected can happen at any moment. A promise of financial security in the face of life's unpredictable events can provide immense peace of mind. This is where the concept of a promise, embodied in the form of life insurance, becomes invaluable.

When we make a promise to our loved ones, we are committing to be there for them, no matter what the future may hold. Life insurance is a tangible expression of this promise, ensuring that in the event of our passing, our dependents will be taken care of financially.

The promise of life insurance extends beyond the present, allowing us to leave a lasting legacy for our loved ones. By ensuring that our family's financial needs are met, we can focus on creating cherished memories and building a strong foundation for their future. This promise becomes a testament to our love and care, a gift that will continue to provide for them long after we are gone.

Tata AIA's flagship protection plan, Shubh Employee Protect is the ultimate solution for comprehensive financial protection and security to your family.

3. Plan Benefits

Tata AIA Shubh Employee Protect is a non-linked, non-participating, pure risk individual life insurance plan designed for salaried individuals seeking financial protection. The plan covers the contingency of death, with the death benefit payable as a lump sum, in staggered installments, or a combination of both, as per the Dependent Care option chosen at inception.

4. Death Benefit

In case of death of the life assured for an in-force policy (all due premiums have been paid), the death benefit equals to Sum Assured on Death payable to the nominee is as outlined below:

Highest of:

- DB multiple(1) x Annualised Premium(2) (excluding discount);
- 105% of Total Premiums Paid (excluding loading for modal premiums and discount) up to date of death; or
- An absolute amount assured to be paid on death(3)

Upon payment of entire sum of the death benefit, the policy terminates and no further benefits are payable.

[1]DB multiple is 7

[2]in aggregate for Effective Sum Assured

[3]The absolute amount assured to be paid on death is the Effective Sum Assured applicable (as defined earlier) as on the date of death.

At the time of purchase, the policyholder may stipulate that the nominee named in the policy receive a chosen portion (up to 100%) of the death benefit as lump sum and remaining as a staggered benefit stream over a pre-decided staggered period. The nominee also has an option to receive the commuted value of the future staggered benefit stream as a lump sum.

In case of death of the life assured during the Grace Period but before the payment of the premium then due, the policy will still be valid and the benefits shall be paid after deductions of the said unpaid premium and also the balance premium(s), if any, falling due from the date of death and before the next policy anniversary.

5. Maturity Benefit

No Maturity Benefit

6. Dependent Care

In this option, the policyholder will have the option to opt for lump sum, staggered benefit or a combination of a lump sum

amount and staggered benefit, as at the time of purchase (referred as the "Payout Plan" henceforth).

If the payout plan chosen includes a staggered benefit, at the time of purchase of the policy, the policyholder would stipulate the benefit amount stream payable to the nominee after death of the life assured. The staggered benefit payment frequency can be Annual / Half Yearly / Quarterly / Monthly. The staggered benefit will be paid as per the frequency chosen for the "Benefit Period" (up to 30 years) selected, starting from the next monthly anniversary following the date of occurrence of insured event. Any accrued staggered benefit, due before intimation of death, will be paid along with first payout under this option. The policyholder can choose between:

a. Level income payout – fixed income payout throughout the chosen benefit period

b. Increasing Income payout – income increases year-on-year based on chosen simple interest rate (up to 15%) throughout the chosen benefit period.

At any time during the staggered period, the nominee also has an option to receive the commuted value of the future staggered benefit stream as a lumpsum, discounted at the higher of (4% p.a.,10 year G-Sec + 1%).

Further, the policyholder shall also have an option to change the staggered benefit payment frequency during the policy term but before the date of occurrence of insured event. The income benefit for other modes shall be determined basis the conversion factors mentioned below:

Income Frequency	Conversion Factor
Annual	Monthly Income multiply by 12.22
Semi-Annual	Monthly Income multiply by 6.05
Quarterly	Monthly Income multiply by 3.01
Monthly	Monthly Income multiply by 1

7. Additional Benefits and Features

1. Accidental Death Benefit:

In the event of the death of the life insured due to an accident* within the benefit option term. Accidental Death Benefit Sum Assured as chosen by the customer shall be payable. The Accidental Death Benefit Sum Assured can be maximum of upto 3 times the Base SA. The death should happen within benefit option term and within 180 days from the accident.

Additional Benefit

The amount of Death benefit for the benefit option payable will be increased by 50% if the death occurs under any of the following circumstances:

1. While the Insured is riding as a fare paying passenger on commercially licensed public land transportation over an established route such as a bus, tram or train. A taxi or any form of transport chartered for private travel is excluded.

2. While the Insured is in an elevator car (elevators in mines, rigs and on construction sites excluded) duly certified to carry passengers; or
3. As a direct result of the burning of the following public buildings only: theatre, cinema, public auditorium, hotel, school and hospital.
4. When the Insured is on a commercial passenger airline on a regular scheduled passenger trip over its established passenger route.

   The maximum aggregate payout under benefit-'Additional Benefit' of ADB and ATPD is capped at ₹50,000,000 per life, irrespective of number of policies in force with the company.

   The Accidental Death benefit for the benefit option is payable only once during the term of the benefit option and the option shall terminate on earlier of death or expiry of the term.

   * Accidental Death shall mean death which:

   - is caused by bodily injury resulting from an accident and
   - occurs due to the said bodily injury solely, directly and independently of any other causes and
   - occurs within 180 days of the occurrence of such accident and within the benefit option term

2. Accidental Total and Permanent Disability Benefit:

In the event of pre-defined total and permanent disability conditions, provided the disability occurs within the benefit option term. ATPD SA as chosen by the customer shall be payable. The ATPD Sum Assured can be upto the Base SA. The event should happen within the benefit option term and within 180 days from the occurrence of the accident. The disability should occur as a result of bodily injury caused by an accident and should result in at least one of the following:

- Loss of sight in both eyes
- Loss of both arms or both hands;
- Loss of one arm and one leg;
- Loss of one arm and one foot;

Non-Forfeiture Benefit on Premium Discontinuance:

If any due premium for a policy remains unpaid at the end of the grace period, the cover ceases to exists and the following benefit shall be payable –

Premium Paying options	Before 2 years' premium paid	After 2 years' premium paid	Size of benefits/policy monies
Limited Pay	Cover cease to exist with no amount payable	Cover cease to exist	Unexpired Risk Premium Value is paid out on the earlier of the following events after which the policy terminates: · Policyholder terminates voluntarily. · Death of the Life Assured · Expiry of Revival Period · Maturity

Such discontinued policies can be revived within the period of 5 years from the due date of first unpaid premium by payment of all due premiums together with interest. Upon revival of the policy, all benefits shall be restored and be applicable with effect from the date of revival.

Surrender Benefit / Unexpired Risk Value

Regular Pay: No benefit will be payable.

Limited Pay: Unexpired Risk Premium Value will be payable

The Unexpired Risk Premium Value Factor applicable will depend on the premium paying term (PPT), the policy term (PT) and month of surrender is given by the following formula:

Unexpired Risk Premium = Unexpired Risk Premium Value Factor (URPVF) * Annualised Premium (excluding discount). The URPVF are provided in Appendix - II.

The URPVF provided are applicable at the end of the year and shall be interpolated, to arrive at the factors applicable at the end of the month of surrender.

Grace Period:

Grace Period is the time provided after the premium due date during which the policy is in force with the risk cover.

- Grace Period for monthly mode policies is 15 days.
- Grace Period for all other mode policies is 30 days.

Revival:

If a premium is in default beyond the Grace Period and subject to the Policy not having been surrendered, it may be reinstated/revived, within five years after the due date of first unpaid premium and before the date of maturity, subject to: (i) Policyholder's written application for reinstatement/revival; (ii) production of Insured's current health certificate and other evidence of insurability, satisfactory to the Company; and (iii) payment of all overdue premiums with interest.

The evidence and any medical requirements called for are in line with the prevailing underwriting guidelines duly approved by the Board & the health declaration by the life assured.

Any reinstatement/revival shall only cover loss or insured event which occurs after the reinstatement/revival date.

Any evidence of insurability requested at the time of reinstatement/revival will be based on the prevailing underwriting guidelines duly approved by the Board. The reinstatement/revival will be based on the Board approved underwriting policy.

The applicable interest rate for revival is determined using the SBI domestic term deposit rate for '1 year to less than 2 years', plus 2%. The rate of interest on revival with effect from 1st October 2025 is 8.40% simple p.a. (i.e. SBI interest rate of 6.40% + 2%) plus applicable taxes. The interest rate applicable is reviewed every 6 months and gets updated as per the given formula. Any alteration in the formula will be subject to prior approval of IRDAI.

Free Look Period

If the policyholder is not satisfied with the terms & conditions of the policy, the policyholder has the right to cancel the Policy by providing written notice to the Company and receive a refund of all premiums paid without interest after deducting a) Proportionate risk premium for the period on cover, b) Stamp duty and medical examination costs (including goods and services tax) which have been incurred for issuing the Policy.

Such notice must be signed by the policyholder and received directly by the Company within 30 days after the policyholder receives the Policy Document, whether the policy is sourced electronically or otherwise.

The Proportionate risk premium will be determined as under:

Effective Sum Assured x (mortality rate / risk rate) x (number of days for the period on cover /365)

Waiting Period

For Base Benefit:

If death of the Life Assured occurs during the first 90 days from the Date of commencement of risk, we shall refund Total Premiums Paid and the policy will terminate with immediate effect.

Waiting period of 90 days is not applicable for death due to accident provided all due premiums have been paid. This is applicable only if the product is bought under PoS.

For OPD Benefit:

A waiting period of 30 days is applicable for all benefits payable.
