TATA AIA Shubh Smart Retire

Individual, Non-Linked, Participating Pension Plan

We are all driven by a desire to be financially independent, so that we can maintain our lifestyle even during retirement. We aspire to have sufficient savings to meet life's uncertainties and not become financially dependent on others. We also have dreams for our retirement years - whether it is travelling, spending time with loved ones or pursuing personal passions. Hence, planning for retirement at an early stage becomes extremely important.

Presenting Tata AIA Shubh Smart Retire, a solution designed to help you build a retirement corpus with assured benefits and participation in profits, so you can enjoy your golden years with confidence.

Key Benefits

- Flexibility to choose between Single Life and Joint Life (Family Pension) options
- Assured Benefit on Vesting along with bonuses to enhance retirement corpus
- Waiver of Future Premiums on Death of Primary Life (Joint Life Option)
- Flexibility to choose Single Pay, Limited Pay or Regular Pay

Plan Options

1. Option 1 – My Pension

This is a single life coverage option under which the policy is issued on the life of one individual. On vesting, i.e., at the end of the policy term, provided all due premiums have been paid, the Assured Benefit on Vesting along with accrued bonuses (if declared) shall be payable to the policyholder. However, in case of death of the life assured during the policy term, the death benefit, as defined under the policy, shall be payable to the nominee, and the policy shall terminate thereafter with no further benefits payable.

2. Option 2 – Family Pension

This is a joint life coverage option where on vesting, provided all due premiums have been paid, Assured Benefit on Vesting shall be payable along with accrued bonuses (if declared) shall be payable to the policyholder.

If either life assured passes away during the Premium Payment Term while the other life assured is surviving, the policy will continue for the surviving life. Premium payments will continue as originally scheduled, and all policy benefits will remain in force, provided the due premiums are paid.

On death of last surviving life during the policy term, a lumpsum benefit as defined below shall be payable.

The following benefit entitlements shall be applicable:

- Primary life is alive - the Primary Life will be the primary person entitled to receive either Vesting or non-forfeiture benefit as applicable;
- Only Secondary life is alive - the Secondary Life will be entitled to receive all the benefits which were earlier entitled to primary life, i.e., either Vesting or non-forfeiture benefit as applicable.

In a Joint Life policy, the Secondary Life can be the spouse / child / parent / grandparent / grandchild / parent-in-law or sibling of the Primary Life. Other relationships may be considered provided there is an insurable interest between the lives, as defined within our Board-approved Underwriting Policy (BAUP).

Other Benefit

Maturity/Vesting Benefit

Provided the policy is in-force and all due premiums have been paid, Assured Benefit on Vesting plus Accrued Reversionary Bonus plus Terminal Bonus, if declared, shall be payable.

A. Non-Guaranteed Bonuses

The Company may declare bonuses under the policy in order to enhance the benefits payable. These include:

- Regular Reversionary Bonus, declared annually
- Interim Bonus, payable on death between bonus declarations
- Terminal Bonus, payable on surrender, maturity or death

These bonuses are not guaranteed; however, once declared, they form part of the policy benefits.

a) Regular Bonus:

The Company may declare regular Reversionary Bonus rates annually starting from first policy year, expressed as a % of Total Premiums Paid plus Accrued Reversionary Bonus, where Accrued Reversionary Bonus is cumulative reversionary bonus already declared.

b) Interim Bonus:

In the event of a death claim, an interim bonus (if applicable) may be payable if declared by the Company. The interim bonus will be proportionately calculated for the period starting from later of the policy start date or the previous bonus vesting / payout date till the date of exit.

c) Terminal Bonus:

The Company may declare Terminal Bonus rates annually

in advance. It shall be payable on Surrender, Death or Maturity

B. Assured Benefit on Vesting

Assured benefit on vesting is defined as higher of:

- Sum Assured on Vesting plus Accrued Reversionary Bonus plus Interim/Terminal Bonus, if any; or
- Total Premiums Paid (less partial withdrawals) accumulated at 4% p.a. compound

Guaranteed Vesting Benefit of 101% of Total Premiums Payable (less partial withdrawals), payable on vesting.

Options to avail Vesting Benefit

On vesting, the policyholder shall exercise one of the following options:

i) To utilize the entire proceeds to purchase immediate annuity or deferred annuity from the company at the then prevailing annuity rate.

ii) To commute up to 60% and utilize the balance amount to purchase immediate annuity or deferred annuity from the company at the then prevailing annuity rates.

The policyholder shall also be given an option to purchase available annuity from any other insurer subject to the limits prescribed below:

To purchase immediate annuity or deferred annuity from another insurer at the then prevailing annuity rate to the extent of percentage, as stipulated by the Authority, currently 50%, of the entire proceeds of the policy net of commutation.

If the policyholder utilizes 100% of the Vesting Benefit to purchase an annuity from the Company, then the company shall add a Vesting Booster of 2% of the Vesting Benefit.

In case the proceeds of the policy on vesting are not sufficient to purchase minimum annuity as defined in clause 5 of Schedule I of IRDAI (Insurance Products) Regulations, 2024, as amended from time to time, such proceeds of the policy may be paid to the policyholder or beneficiary as lump sum.

C. Death Benefit

On death of the life insured(s) during the policy term

Option 1	**Option 2**
In case of death of the life insured during the policy term for an in-force policy (all due premiums have been paid), the death benefit payable shall be as below: **Option 1:** Highest of: • Assured Benefit on death plus Accrued Reversionary Bonus plus Interim/Terminal Bonus, if declared; or • 105% of Total Premiums Paid (excluding loading for modal premiums and discount) up to date of death. Where, Assured Benefit on death is equal to 101% of Total Premiums Paid. The policy shall terminate upon the death of the insured during the policy term and no other benefit under the policy shall be payable.	The death benefit shall be payable on death of the last surviving life during the policy term. **Highest of:** • Assured Benefit on death plus Accrued Reversionary Bonus plus Interim/Terminal Bonus, if declared; or • 105% of Total Premiums Paid (excluding loading for modal premiums and discount) up to date of death. Where, Assured Benefit on death is equal to 101% of Total Premiums Paid. The policy shall terminate upon the death of last surviving life during the policy term and no other benefit under the policy shall be payable. In case Waiver of Premium Benefit under Option 2 is chosen: Provided all due premiums have been paid until death of the Primary Life Assured (and provided Secondary Life is alive), the future outstanding premiums shall be waived off by the Company, as and when due, and the policy shall continue to participate in form of Regular Simple Reversionary Bonus along with Terminal bonuses (if any) as applicable for policies under in-force status till the death of Secondary Life Assured, Surrender or maturity whichever is earlier. Once the waiver of premium benefit is triggered, no alterations under the policy will be allowed thereafter.

Waiver of Premium Benefit:

Provided all due premiums have been paid until death of the Primary Life Assured, the future outstanding premiums shall be waived off by the Company, as and when due, and the policy shall continue till the death of Secondary Life Assured, surrender or maturity whichever is earlier. In case of death of Secondary life assured, the death benefit shall be paid to the nominee and policy shall terminate.

This benefit can be opted only with Option 2. The option once chosen cannot be opted out subsequently.

Options to avail Death Benefit

If the life insured(s) dies during the policy term, the nominee shall exercise one of the following options:

i) To utilize the entire proceeds of the policy or part thereof for purchasing an immediate annuity or deferred annuity from the Company at the then prevailing rate. However, the nominee shall also have an option to purchase an immediate annuity or deferred annuity from another insurer at the then prevailing rate to the extent of percentage, as stipulated by the Authority, currently 50%, of the entire proceeds of the policy net of commutation.

ii) Withdraw the entire proceeds of the policy

If the nominee utilizes 100% of the entire proceeds from the policy net of commutation to purchase an annuity from the Company, then the company shall add a booster of 0.5% of such proceeds.

In case the death benefit is not sufficient to purchase minimum annuity as defined in clause 5 of Schedule I of IRDAI (Insurance Product) Regulations, 2024 as amended from time to time, the proceeds of the policy may be paid as lump sum.

D. Access to benefits/pay out if this product is purchased as QROPS (Qualifying Recognized Overseas Pension Scheme), through transfer of UK tax relieved assets

Notwithstanding anything stated under this document, the following terms & conditions shall apply to QROPS policyholders:

i) Benefits on Surrender:

If this product is purchased as QROPS through transfer of UK tax relieved assets, access to benefits from policy proceeds both in the form of commutation and Annuitisation, would be restricted till the policyholder attains 55 years of age or the policy acquires GSV, whichever is later

ii) Cancellation in the Free-Look Period If this product is purchased as QROPS through transfer of UK tax relieved assets, the proceeds from cancellation in free look period shall only be transferred back to the Fund House from where the money was received.

"Total Premiums Paid" means total of all the premiums paid, excluding any extra premium and taxes, if collected explicitly.

"Annualised Premium" shall be the premium payable in a year under a non-single pay option chosen by the policyholder, excluding the taxes, rider premiums, underwriting extra premiums, loading for modal premiums, if any.

"Single Premium" shall be the premium payable under a single pay option chosen by the policyholder, excluding the taxes, rider premiums, underwriting extra premiums, if any.

"Reduced Paid-up (RPU) Factor" shall be a ratio calculated as the total period for which premiums have already been paid by the policyholder or the Company, if any, post waiver of premium benefit has been triggered, divided by the maximum period for which premiums were originally payable.

"Sum Assured on Vesting" shall be the absolute amount of benefit which is guaranteed to become payable on vesting of the policy provided all due premiums have been paid. The Sum Assured on Vesting is equal to 101% of Total Premiums Payable (excluding loading for modal premiums and discount) less Partial withdrawals made.

"Assured Benefit on Vesting" is higher of:

- Sum Assured on Vesting plus Accrued Reversionary Bonus plus Interim/Terminal Bonus, if declared; or
- Total Premiums Paid less Partial withdrawals made, accumulated at 4% p.a. compound

- In case of joint life policy, the minimum Vesting Age needs to be complied upon by the youngest of two lives, such that both the lives are at least 40 years old on maturity.
- In case of joint life policy, the maximum vesting age needs to be complied upon by the oldest of two lives.

A Grace Period of fifteen (15) days for monthly mode and thirty (30) days for all other modes, from the due date will be allowed for payment of each subsequent premium. The Policy will remain in force during this period. If the full premium for the first policy year remains unpaid at the end of their grace period the policies shall lapse from the due date of the first unpaid premium

Lapse

For non-single pay policies:

On discontinuance of payment of premium during the first policy year, provided one full premium is not paid, the policy will lapse, and no further benefits shall be paid. The policy can be revived within the period of 5 years from the due date of first unpaid premium by payment of all due premiums together with interest. Upon revival of the policy, all benefits shall be restored and be applicable with effect from the date of revival.

The policy will be terminated at the end of revival period if not revived.

Reduced Paid Up

If you stop paying premiums after the policy has acquired a surrender value, your policy will be made paid-up at the end of the grace period. Declared terminal bonus will be payable on death, surrender or maturity, as applicable.

Waiver of Premium Benefit shall cease upon policy converting to reduced paid-up.

The benefits to be paid in case of reduced paid-up policies are as follows.

RPU Death Benefit:

On death during the policy term, death benefit shall be highest of:

- Assured Benefit on death plus Accrued Reversionary Bonus plus Interim/Terminal Bonus, if declared; or
- 105% of Total Premiums Paid (excluding loading for modal premiums and discount) up to date of death

Where, Assured Benefit on death is equal to 101% of Total Premiums Paid.

RPU Survival Benefit: Not applicable

RPU Maturity/Vesting Benefit:

The Reduced Paid-up vesting benefit for a paid-up policy shall be the aggregate of

- Paid-up Sum Assured on vesting
- Regular Bonus accrued until the date policy is made paid-up
- Regular bonus on Total Premiums Paid after the policy is made paid-up
- Interim/Terminal Bonus, if declared

Where,

"Paid-up Sum Assured on Vesting" shall be the Sum Assured on Vesting multiplied by the Reduced Paid-up Factor.

Surrender Benefit: The surrender benefit as detailed in surrender section shall be payable.

Such reduced paid-up policies can be revived within the revival period from the due date of first unpaid premium by payment of all due premiums together with interest.

Upon revival of the policy, all benefits shall be restored and be applicable with effect from the date of revival. The past declared regular reversionary bonuses that would have otherwise vested to a premium paying policy during the period the policy was Reduced Paid-up will vest based on the policy anniversaries elapsed. The declared Terminal Bonus and reduced paid-up Regular Bonus, if any, will not be applicable post revival of the policy.

Revival

If a premium is in default beyond the Grace Period and subject to the Policy not having been surrendered, it may be reinstated/revived, within five years after the due date of first unpaid premium and before the date of maturity, subject to: (i) Policyholder's written application for reinstatement/revival; (ii) production of Insured's current health certificate and other evidence of insurability, satisfactory to the Company; and (iii) payment of all overdue premiums with interest.

The evidences and any medical requirements called for are in line with the prevailing underwriting guidelines duly approved by the Board & the health declaration by the life insured(s).

Any reinstatement/revival shall only cover loss or insured event which occurs after the reinstatement/revival date.

Any evidence of insurability requested at the time of reinstatement/revival will be based on the prevailing underwriting guidelines duly approved by the Board. The reinstatement/revival will be based on the Board approved underwriting policy.

- The applicable interest rate for revival is determined using the SBI domestic term deposit rate for '1 year to less than 2 years', plus 2%. The rate of interest on revival with effect from 1st April 2026 is 8.25% simple p.a. (i.e. SBI interest rate of 6.25% + 2%) plus applicable taxes.

The interest rate applicable is reviewed every 6 months and gets updated as per the given formula. Any alteration in the formula will be subject to prior approval of IRDAI.

Surrender Benefit

The policy will acquire a surrender value during the policy term basis the premium paying term as defined below.

Premium Paying Term	Surrender Value
Less than 5 Pay	Payable immediately at any point during the policy term provided at least first full year's premiums have been paid
Greater than or equal to 5 pay	Payable after completion of first policy year provided at least full year's premiums have been paid

The surrender value payable is higher of the Guaranteed Surrender Value (GSV) or Special Surrender Value (SSV).

- Guaranteed Surrender Value = GSV Factor 1 x Total Premiums paid (excluding loading for modal premiums and discount) + GSV Factor 2 x Accrued Bonus
- Special Surrender Value (SSV) is determined by the company from time-to-time basis changing economic scenario. The Company may revise SSV based on then prevailing market conditions. Any change in the methodology/formula for calculating SSV shall be subject to IRDAI approval.

Options to avail Surrender Benefit

On the date of surrender the policyholder shall exercise one of the following options:

i) To utilize the entire proceeds to purchase immediate annuity or deferred annuity from the company at the then prevailing annuity rate.

ii) To commute up to 60% and utilize the balance amount to purchase immediate annuity or deferred annuity from the company at the then prevailing annuity rates.

The policyholder shall also be given an option to purchase available annuity from any other insurer subject to the limits prescribed below:

To purchase immediate annuity or deferred annuity from another insurer at the then prevailing annuity rate to the extent of percentage, as stipulated by the Authority, currently 50%, of the entire proceeds of the policy net of commutation.

If the policyholder utilizes 100% of the entire proceeds from the policy net of commutation to purchase an annuity from the Company, then the company shall add a booster of 0.5% of such proceeds.

In case the proceeds of the policy on surrender is not sufficient to purchase minimum annuity as defined in clause 5 of Schedule I of IRDAI (Insurance Products) Regulations, 2024, as amended from time to time, such proceeds of the policy may be paid to the policyholder as lump sum

Partial Withdrawal

- It can be made only after completion of 3 years from the date of commencement of the policy.
- Total partial withdrawal shall not exceed 25% of total premiums paid as on the date of exercising partial withdrawal.
- The amount of partial withdrawal shall be treated as preponement of the commuted portion of the surrender / vesting benefit.
- Partial withdrawal will not result into termination of the contract.
- Partial withdrawal will not be used for the adjustment of sum assured on death
- Partial Withdrawal shall be allowed only three times during the entire term of the policy.
- Partial Withdrawal shall be allowed only against the stipulated reasons:
  - Higher education of children, including legally adopted child
  - Marriage of children, including legally adopted child.
  - Purchase or construction of a residential house or flat in the Life Assured's own name or in joint name with their legally wedded spouse. However, if the Life assured already owns a residential house or flat (other than ancestral property), no withdrawal shall be permitted
  - For treatment of critical illnesses of self or spouse
  - Medical and incidental expenses arising from disability or incapacitation suffered by the life assured.
  - Expenses incurred by the life assured for skill development/reskilling or any other self-development activities.
  - Expenses incurred by the Life assured for the establishment of her/his own venture or any start-ups.

If any partial withdrawals are made during the Policy Term, they will be considered while determining the following benefits:

- **Regular Bonus:** The Regular Bonus for the year will be declared on total premiums paid less partial withdrawals.
- **Surrender Benefit:** Surrender Benefit will be reduced by the total amount of partial withdrawals made under the policy.

Policy Loan

On completion of one policy year, provided one full year's premium is paid, policyholders may apply for a policy loan. The Policy must be assigned to Tata AIA Life.

Maximum amount of loan that can be granted under the policy shall not exceed 80% of surrender value

Daily interest shall accrue on policy loan at a rate which the company shall determine. Interest shall be payable on each policy anniversary after the loan date and until the loan is repaid. Any unpaid interest shall be added to the principal loan and bear interest at the same rate. At any time while the policy is in force, policyholder may repay the principal and accrued interest, on any part of the loan.

For in-force and fully paid-up policies, the policy will not be foreclosed if the outstanding loan amount including interest exceeds the surrender value. However, for other than in-force and fully paid-up policies, if the outstanding loan amount including interest exceeds the surrender value, the policy will be foreclosed after giving intimation and reasonable opportunity to the policyholder to continue the policy.

Interest rate applicable to policy loan shall be calculated as the average annualized 10-year G-Sec yield (over last 6 months; rounded up to the nearest 50 bps) + 2%.

The interest rate on loans is verified & updated on the Company's systems every six months (on 1st April & 1st Oct every year) as per the given formula. The current interest rate for Loan from 1st April 2026 is 9.00% p.a. compounding annually. Any change in loan interest rate formula will be implemented post approval of IRDAI.

There shall be no discretion of the Insurer in granting the policy loan to identical/similar annuitant. Further, there shall be no discretion of the Insurer in the quantum of loan granted (subject to the quantum being within permissible limits).

Riders

The below mentioned rider(s) would be available with the base product:

- Tata AIA Life Insurance Non-Linked Comprehensive Protection Rider (UIN:110B033V02 or any other later version)
- Tata AIA Vitality Health (UIN: 110B045V02 or any later version)
- Tata AIA Vitality Protect (UIN: 110B046V02 or any later version)

These riders can be attached subject to the rider premium payment term and the policy term shall not be more than the

outstanding premium payment term and outstanding policy term for the base plan.

Such rider attachments will be as per the 'Board approved underwriting policy' (BAUP) of the Company. The riders shall be offered in compliance with the provisions as defined in IRDAI (Protection of Policyholders' Interests, Operations and Allied Matters of Insurers) Regulations, 2024.

There shall be no overlap in benefit offered under different riders & base product.

At inception of the policy, the distributed channels under riders shall be consistent with that of the base product.

Terms & Conditions

A. Freelook period:

If the policyholder is not satisfied with the terms & conditions of the policy, the policyholder has the right to cancel the Policy by providing written notice to the Company and receive a refund of all premiums paid without interest after deducting a) Proportionate risk premium for the period on cover, b) Stamp duty and medical examination costs (including goods and services tax) which have been incurred for issuing the Policy. In case any Survival Benefit has been paid before processing of the Free Look cancellation amount, we shall recover the same from the refund amount due to the policyholder.

Such notice must be signed by the policyholder and received directly by the Company within 30 days after the policyholder receives the Policy Document, whether the policy is sourced electronically or otherwise.

B. Suicide Provisions

In case of death due to suicide within 12 months, from the date of commencement of risk under the policy or from the date of revival of the policy, as applicable, the nominee or beneficiary of the policyholder shall be entitled to at least 80% of the Total Premiums Paid till the date of death or the surrender value available as on the date of death whichever is higher, provided the policy is in force. The policy shall terminate, and no further benefits shall be payable.

In case of joint life policy, the above clause is applicable on first death (of either of the two lives) due to suicide within 12 months from the commencement of risk under the policy.

C. Alteration:

No alterations apart from those mentioned below can be made after the product has been purchased:

- Change of Modes of Premium
- Change of Nomination/ Assignment/ Appointee
- DOB correction

D. Nomination:

The nomination shall be in accordance with Section 39 of the Insurance Act, 1938 and amended from time to time.

E. Assignment:

The policyholder also has the right to assign the policy in accordance with Section 38 of the Insurance Act, 1938 and amended from time to time.

F. Prohibition of Rebates:

Section 41 - of the Insurance Act, 1938, as amended from time to time

No person shall allow or offer to allow, either directly or indirectly, as an inducement to any person to take out or renew or continue an insurance in respect of any kind of risk relating to lives or property in India, any rebate of the whole or part of the commission payable or any rebate of the premium shown on the Policy, nor shall any person taking out or renewing or continuing a Policy accept any rebate, except such rebate as may be allowed in accordance with the published prospectuses or tables of the Insurer.

G. Fraud, Misstatement or Suppression

Any fraud, misstatement, or suppression of a material fact under the policy shall be dealt as per the provisions of Section 45 of the Insurance Act 1938 as amended from time to time.

Section 45 – Policy shall not be called in question on the ground of mis-statement after three years

Provisions regarding Policy not being called into question in terms of Section 45 of the Insurance Act, 1938, as amended by Insurance Laws (Amendment) Act, 2015 are as follows:

1. No Policy of Life Insurance shall be called in question on any ground whatsoever after expiry of 3 years from
   a) the date of issuance of Policy or
   b) the date of commencement of risk or
   c) the date of revival of Policy or
   d) the date of rider to the Policy

   whichever is later.
2. On the ground of fraud, a Policy of Life Insurance may be called in question within 3 years from
   a) the date of issuance of Policy or
   b) the date of commencement of risk or
   c) the date of revival of Policy or
   d) the date of rider to the Policy

   whichever is later.

For this, the insurer should communicate in writing to the Life Assured or legal representative or nominee or assignees of insured, as applicable, mentioning the ground and materials on which such decision is based.

3. Fraud means any of the following acts committed by Life Assured or by his agent, with the intent to deceive the insurer or to induce the insurer to issue a life Insurance Policy:
   a) The suggestion, as a fact of that which is not true and which the Life Assured does not believe to be true;
   b) The active concealment of a fact by the Life Assured having knowledge or belief of the fact;
   c) Any other act fitted to deceive; and
   d) Any such act or omission as the law specifically declares to be fraudulent.
4. Mere silence is not fraud unless, depending on circumstances of the case, it is the duty of the Life Assured or his agent keeping silence to speak or silence is in itself equivalent to speak.
5. No Insurer shall repudiate a life Insurance Policy on the ground of Fraud, if the Life Assured/ beneficiary can prove that the misstatement was true to the best of his knowledge and there was no deliberate intention to suppress the fact or that such mis-statement of or suppression of material fact are within the knowledge of the insurer. Onus of disproving is upon the Policyholder, if alive, or beneficiaries.
6. Life Insurance Policy can be called in question within 3 years on the ground that any statement of or suppression of a fact material to expectancy of life of the Life Assured was incorrectly made in the proposal or other document basis which Policy was issued or revived or rider issued. For this, the insurer should communicate in writing to the Life Assured or legal representative or nominee or assignees of insured, as applicable, mentioning the ground and materials on which decision to repudiate the Policy of life Insurance is based.
7. In case repudiation is on ground of mis-statement and not on fraud, the premium collected on Policy till the date of repudiation shall be paid to the Life Assured or legal representative or nominee or assignees of insured, within a period of 90 days from the date of repudiation.
8. Fact shall not be considered material unless it has a direct bearing on the risk undertaken by the insurer. The onus is on insurer to show that if the insurer had been aware of the said fact, no life Insurance Policy would have been issued to the insured.
9. The insurer can call for proof of age at any time if he is entitled to do so and no Policy shall be deemed to be called in question merely because the terms of the Policy are adjusted on subsequent proof of age of Life Insured. So, this Section will not be applicable for questioning age or adjustment based on proof of age submitted subsequently.
