Working of your plan

Saving for your future is important, but what is also important is to protect those savings. Wealth and prosperity with stability remain among the most preferred wishes for most of us.

While choosing the right options for Life Advantage Plus Plan, we recommend you follow these steps:

1. Select your Maturity Sum Assured
2. Select your Policy Term (PT)
3. Select your Premium Paying Term (PPT)

Sample illustration:

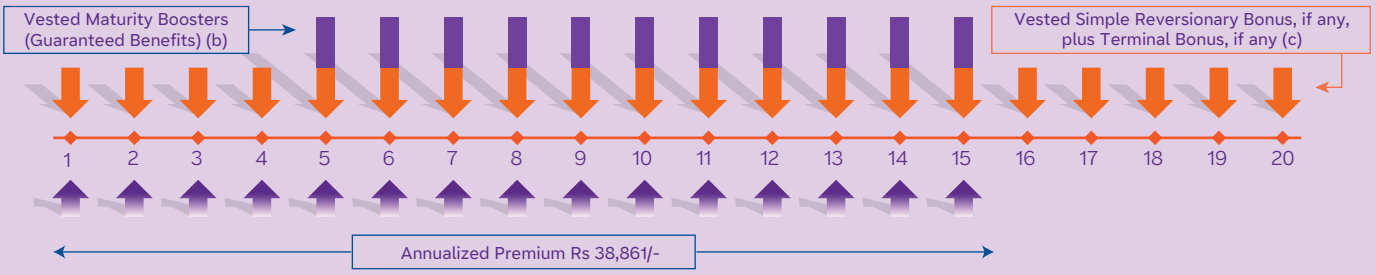

Maturity Sum Assured	Rs. 5,00,000
Death Sum Assured	Rs. 5,00,000

This Benefit Illustration is intended to show year wise premiums payable and benefits under the policy at two assumed rates of interest i.e. 8% p.a. and 4% p.a.

Some Benefits are guaranteed and some benefits are variable with returns based on the future performance of your insurer carrying on life insurance business. If your policy offers guaranteed benefits then these will be clearly marked "guaranteed" in the illustration table on this page. If your policy offers variable benefits then the illustrations on this page will show two different rates of assumed future investment returns, of 8% p.a. and 4% p.a. These assumed rates of return are not guaranteed and they are not the upper or lower limits of what you might get back, as the value of your policy is dependent on a number of factors including actual future investment performance.
