Definition of Covered Accident Care Rider

1. 'Accident' means sudden, unforeseen and involuntary event caused by external, visible and violent means.

2. 'Accidental Death' means a death due to an Accident, and such an Accident shall within 180 (one hundred and eighty) days of its occurrence, solely, directly and independently of any other cause, results in the Life Assured's death.

   Accidental Death due to 'Airplane Accident' will be payable only if the policyholder is travelling as a bona fide fare paying passenger of a recognized airline flying on regular routes and on a scheduled timetable.

   Accidental Death due to 'Train Accident' will be payable only if the policyholder is travelling as a bonafide fare-paying passenger on a reserved ticket in any passenger carrying train of Indian Railways. The passenger's name must be there in the Reserved Ticket List/Chart prepared by Indian Railways. Train Accident, herein, means an "accident' of the nature described in Section 124 of Indian Railways Act,1989.

3. In case where any of the above covered event happen beyond Rider Policy Term but within 180 days of occurrence of accident, claim shall be payable, provided the accident occurred during the Rider Policy Term.

4. 'Injury' means accidental physical bodily harm excluding illness or disease solely and directly caused by external, violent, visible and evident means which is verified and certified by a Medical Practitioner.

   'Accidental Total and Permanent Disability (ATPD)' means disability as a result of bodily injury caused by an accident and such injury shall within 180 days of its occurrence solely, directly and independently of any other cause, result in at least one of the following:

   - Loss of sight in both eyes
   - Loss of both arms or both hands;
   - Loss of one arm and one leg;
   - Loss of one arm and one foot;
   - Loss of one hand and one foot;
   - Loss of one hand and one leg;
   - Loss of both legs;
   - Loss of both feet;
   - Loss of one limb and one eye

The disability must have lasted, without interruption, for at least six consecutive months and must, in the opinion of a qualified & registered Medical Practitioner, be deemed permanent.

5. ‘Major Head Trauma’ is Accidental head injury resulting in permanent Neurological deficit to be assessed no sooner than 3 months from the date of the accident. This diagnosis must be supported by unequivocal findings on Magnetic Resonance Imaging, Computerized Tomography, or other reliable imaging techniques. The accident must be caused solely and directly by accidental, violent, external and visible means and independently of all other causes.

   The Accidental Head injury must result in an inability to perform at least three (3) of the following Activities of Daily Living either with or without the use of mechanical equipment, special devices or other aids and adaptations in use for disabled persons. For the purpose of this Benefit, the word “permanent” shall mean beyond the scope of recovery with current medical knowledge and technology.

   The Activities of Daily Living are:

   i. Washing: the ability to wash in the bath or shower (including getting into and out of the bath or shower) or wash satisfactorily by other means;

   ii. Dressing: the ability to put on, take off, secure and unfasten all garments and, as appropriate, any braces, artificial limbs or other surgical appliances;

   iii. Transferring: the ability to move from a bed to an upright chair or wheelchair and vice versa;

   iv. Mobility: the ability to move indoors from room to room on level surfaces;

   v. Toileting: the ability to use the lavatory or otherwise manage bowel and bladder functions so as to maintain a satisfactory level of personal hygiene;

   v. Feeding: the ability to feed oneself once food has been prepared and made available.

   The following is excluded:

   i. Spinal cord injury.

6. There must be third-degree burns with scarring that cover at least 20% of the body’s surface area as a result of an accident. The diagnosis must confirm the total area involved using standardized, clinically accepted, body surface area charts covering 20% of the body surface area.

7. ‘Loss of hearing' is total and irreversible loss of hearing in both ears as a result of accident. This diagnosis must be supported by pure tone audiogram test and certified by an Ear, Nose and Throat (ENT) specialist. Total means “the loss of hearing to the extent that the loss is greater than 90decibels across all frequencies of hearing” in both ears.

8. ‘Medical Practitioner’ means a person who holds a valid registration from the Medical Council of any state or Medical Council of India or Council for Indian Medicine or for Homeopathy set up by the Government of India or a State Government and is thereby entitled to practice medicine within its jurisdiction and is acting within its scope and jurisdiction of license, provided such Medical Practitioner shall not include policyholder’s spouse,

father (including step father), mother (including step mother), son (including step son), son's wife, daughter (including step daughter/s), daughter's husband, brother (including step brother/s) or sister (including step sister/s) or the Life Insured or policyholder or employed by policyholder/the Life Insured.

The definitions and other covered conditions are appropriate from a medical ethics point of view and medico-legal opinion has been taken in this regard.

The following Life Cover Options are available:

Rider Cover shall be available to all the lives covered in the Base Policy subject to the rider boundary conditions and Board Approved Underwriting Policy.

In case of occurrence of insured event to Life Assured under Rider cover, Rider Benefit as applicable shall be payable.

Surrender

Rider will automatically get surrendered if the base plan is surrendered and Refund Value, if any shall be payable. Rider can also be surrendered anytime during the Rider Benefit Term. However, if the rider is opted earlier and then detached during the Rider Benefit Term, the policyholder will not be able to opt for the Rider again under the same base policy. On surrendering the rider, Refund Value, if any, will be paid and the Rider Benefit will terminate.

Surrender value

This is a pure protection plan and therefore does not acquire Surrender Value. Upon termination of Base Plan, Refund Value (if applicable), for the surviving life covered under the rider, shall be payable. However, Refund value will be calculated as given below:

For Single Pay:

Rider Policy Term less than and equal to 24 months, no Refund Value is payable.

Rider Policy Term of higher than 24 months, the Rider Cover shall acquire Refund Value immediately. Refund Value is calculated as:

60% x Single Premium x [(Unexpired Rider Policy Term in months / Rider Policy Term in months)]; Rounded down to multiple of hundred.

For Limited Pay:

If the policyholder voluntarily opts to close the rider cover before payment of all due rider Premiums for at least three consecutive rider cover years, refund Value is Nil.

If the policyholder voluntarily opts to close the rider cover after payment of all due rider Premiums for at least three consecutive rider cover year, the rider cover shall acquire Refund Value immediately and is calculated as:

60% x Total Premiums Paid x [(Unexpired Rider Policy Term in months / Rider Policy Term in months)] x [(Rider Policy Term – Premium Paying Term) / Rider Policy Term]; Rounded down to multiple of hundred.

Regular Pay: Not Applicable

Where (for Rider),

Single Premium means premium amount paid, excluding any extra premium, and taxes.

Total Premiums Paid is defined as total of all the premiums received, excluding any extra premium and taxes, if collected explicitly.

Where Second Life is also covered, Refund Value will be the sum of Refund Value for both lives.

Any changes in the above methodology and factor shall be done, subject to necessary approvals as required by IRDAI.

On payment of Refund Value, the rider coverage shall terminate, and all rights, benefits and interests shall stand extinguished.

Free Look Period

You are entitled to a free look period of 30 days beginning from the date of receipt of the policy document (whether received electronically or otherwise), to review the terms and conditions of the policy. In case you do not agree to any of the policy terms and conditions, or otherwise and have not made any claim, you have the option to return the policy to us for cancellation by communicating the same in writing stating the reasons for cancellation. We will refund you the premium paid after deducting the proportionate risk premium for the period of cover provided and the expenses, if any, incurred by us in respect of medical examination and stamp duty charges.

A rider policy once returned cannot be revived at any point in time and a new proposal will have to be made for a new Rider Policy.

All the benefits under the policy shall stand extinguished immediately on the cancellation of the Policy under the free look.

In case of free look cancellation of the Base Policy, this Rider Policy shall automatically be cancelled.
