PART B

DEFINITIONS

1. **"Accident"** sudden, unforeseen and involuntary event caused by external, visible and violent means.

2. **"Accidental Death"** means a death due to an Accident, and such an Accident shall within 180 (one hundred and eighty) days of its occurrence, solely, directly and independently of any other cause, results in the Life Assured's death.

   Accidental Death due to 'Airplane Accident' will be payable only if the policyholder is travelling as a bona fide fare paying passenger of a recognized airline flying on regular routes and on a scheduled timetable.

   Accidental Death due to 'Train Accident' will be payable only if the policyholder is travelling as a bonafide fare-paying passenger on a reserved ticket in any passenger carrying train of Indian Railways. The passenger's name must be there in the Reserved Ticket List/Chart prepared by Indian Railways. Train Accident, herein, means an "accident' of the nature described in Section 124 of Indian Railways Act,1989.

   In case where any of the above covered events happen beyond Rider Policy Term but within 180 days of occurrence of accident, claim shall be payable, provided the accident occurred during the Rider Policy Term.

3. **"Base Policy"** means the underlying base plan to which this Rider policy is attached to.

4. **"Rider Policy**" means the contractual arrangement as established in the rider policy document. It is not a standalone document and should be read along with the base Plan. Rider includes the Rider Document, the Rider Schedule, any attached endorsements or supplements together with all the addendums provided by the Company from time to time, the medical examiner's report and any other document/s called for by the Company and submitted by the Policyholder to enable the Company to process request for Rider.

5. **"Rider"** is an optional benefit which can be added to the Base Policy as per your choice. It provides additional benefits to the Policyholder/ Life Insured.

6. "**Rider Sum Assured**" means an absolute amount of benefit which is guaranteed to become payable on occurrence of specified events, in accordance with the terms and conditions of the rider

7. "**Surrender Value**" means an amount, if any, that becomes payable on surrender of a rider policy during its term, in accordance with the terms and conditions of the rider.

8. **"Medical Practitioner"** means a person who holds a valid registration from the Medical Council of any state or Medical Council of India or Council for Indian Medicine or for Homeopathy set up by the Government of India or a State Government and is thereby entitled to practice medicine within its jurisdiction and is acting within its scope and jurisdiction of license, provided such Medical Practitioner shall not include policyholder's spouse, father (including step father), mother (including step mother), son (including step son), son's wife, daughter (including step daughter/s), daughter's husband, brother (including step brother/s) or sister (including step sister/s) or the Life Insured or policyholder or employed by policyholder/the Life Insured.

9. **"Injury"** means accidental physical bodily harm excluding illness or disease solely and directly caused by external, violent, visible and evident means which is verified and certified by a Medical Practitioner.

< <Insert if Comprehensive Benefit Opted>

10. **"Accidental Total and Permanent Disability (ATPD)"** means disability as a result of bodily injury caused by an accident and such injury shall within 180 days of its occurrence solely, directly and independently of any other cause, result in at least one of the following:

SAMPLE

- Loss of sight in both eyes
- Loss of both arms or both hands;
- Loss of one arm and one leg;
- Loss of one arm and one foot;
- Loss of one hand and one foot;
- Loss of one hand and one leg;
- Loss of both legs;
- Loss of both feet;
- Loss of one limb and one eye

The disability must have lasted, without interruption, for at least six consecutive months and must, in the opinion of a qualified & registered Medical Practitioner, be deemed permanent.

11. **''Major Head Trauma''** is Accidental head injury resulting in permanent Neurological deficit to be assessed no sooner than 3 months from the date of the accident. This diagnosis must be supported by unequivocal findings on Magnetic Resonance Imaging, Computerized Tomography, or other reliable imaging techniques. The accident must be caused solely and directly by accidental, violent, external and visible means and independently of all other causes.
    The Accidental Head injury must result in an inability to perform at least three (3) of the following Activities of Daily Living either with or without the use of mechanical equipment, special devices or other aids and adaptations in use for disabled persons. For the purpose of this Benefit, the word "permanent" shall mean beyond the scope of recovery with current medical knowledge and technology.

    The Activities of Daily Living are:
    i. Washing: the ability to wash in the bath or shower (including getting into and out of the bath or shower) or wash satisfactorily by other means;
    ii. Dressing: the ability to put on, take off, secure and unfasten all garments and, as appropriate, any braces, artificial limbs or other surgical appliances;
    iii. Transferring: the ability to move from a bed to an upright chair or wheelchair and vice versa;
    iv. Mobility: the ability to move indoors from room to room on level surfaces;
    v. Toileting: the ability to use the lavatory or otherwise manage bowel and bladder functions so as to maintain a satisfactory level of personal hygiene;
    vi. Feeding: the ability to feed oneself once food has been prepared and made available.

    The following is excluded:
    i. Spinal cord injury.

12. **"Third Degree Burns"**- There must be third-degree burns with scarring that cover at least 20% of the body's surface area as a result of an accident. The diagnosis must confirm the total area involved using standardized, clinically accepted, body surface area charts covering 20% of the body surface area.

13. **"Loss of hearing"** is total and irreversible loss of hearing in both ears as a result of accident. This diagnosis must be supported by pure tone audiogram test and certified by an Ear, Nose and Throat (ENT) specialist. Total means "the loss of hearing to the extent that the loss is greater than 90decibels across all frequencies of hearing" in both ears.
    The definitions and other covered conditions are appropriate from medical ethics point of view and medico-legal opinion has been taken in this regard. **>**

14. **"Second Life"** means Secondary person on whose life the risk is undertaken as shown in the schedule.
