  o **Super 35 –** Special discount of up to 2% on First Year's Premium for customers who are less than 35 years of age

Plan Options

1. Option 1 – My Pension

This is a single life option where on vesting (at the end of policy term), provided all due premiums have been paid,

'Assured Benefit on Vesting' shall be payable as per the options given in the section 'Options to avail Vesting Benefit'.

However, in case of death of the life assured during term of the policy, the death benefit as defined in the 'Death Benefit' section shall be payable as per the Death Benefit options and thereafter the policy closes.

2. Option 2 – Partner Pension

This is joint life option where on vesting (at the end of policy term), provided all due premiums have been paid, 'Assured Benefit on Vesting' shall be payable as per the options given in the section 'Options to avail Vesting Benefit'.

However, in case of death of last surviving life during the policy term, death benefit as defined in the 'Death Benefit' section shall be payable as per the Death Benefit options and thereafter the policy closes.

3. Option 3 – Partner Pension Plus

This is a joint life option where on vesting (at the end of policy term), provided all due premiums have been paid, 'Assured Benefit on Vesting' shall be payable as per the options given in the section 'Options to avail Vesting Benefit'.

This option also provides a Waiver of Premium (WoP) benefit in case of death of the primary life assured during the Premium Payment Term. Under this benefit provided the secondary life is alive, the future premiums are waived off by the Company so that the policy continues for the second life assured for complete policy benefits. WoP is not applicable in case of death of the secondary life assured.

However, in case of death of last surviving life during the policy term, death benefit as defined in the 'Death Benefit' section shall be payable as per the Death Benefit options and thereafter the policy closes.

This option is available with Limited Pay and Regular Pay policies only.

In case of joint life, the following benefit entitlements shall be applicable:

- **Primary life is alive** – the Primary Life will be the primary person entitled to receive either Vesting or non-forfeiture benefit as applicable
- **Only Secondary life is alive** – the Secondary Life will be entitled to receive all the benefits which were earlier entitled to primary life i.e., either Vesting or non-forfeiture benefit as applicable.

In a Joint Life policy, the Secondary Life can be the spouse/child/parent/grandparent/grandchild/parent-in-law or sibling of the Primary Life. Other relationships may be considered as long as there is an insurable interest between the lives, as defined within our Board-approved Underwriting Policy (BAUP).

Special Discounts

- **Smart Lady Discount:** A discount of 2% on first year premium will be offered to female lives assured. In case of Joint Life policies, discount of 2% on first year will be offered when both the lives are females
- **Transgender Discount:** A discount of 2% on first year's premium will be offered specially for transgender customers
- **Super 35 Discount:** A discount of up to 2% on first year's premium for customers who are less than 35 years of age

Other Benefits

C. Assured Benefit on Vesting

Assured benefit on vesting is defined as sum of:

- Sum Assured on vesting
- Accrued Guaranteed Additions
- Vesting Addition

Options to avail Vesting Benefit

On vesting, the policyholder shall exercise one of the following options:

i. To utilize the entire proceeds to purchase immediate annuity or deferred annuity from the company at the then prevailing annuity rate.

ii. To commute up to 60% and utilize the balance amount to purchase immediate annuity or deferred annuity from the company at the then prevailing annuity rates. The policyholder shall also be given an option to purchase available annuity from any other insurer subject to the limits prescribed in below.

iii. To purchase immediate annuity or deferred annuity from another insurer at the then prevailing annuity rate to the extent of percentage, as stipulated by the Authority, currently 50%, of the entire proceeds of the policy net of commutation.

If the policyholder utilizes 100% of the Vesting Benefit to purchase an annuity from the Company, then the company shall add a Vesting Booster of 5% of the Vesting Benefit

In case the proceeds of the policy on vesting are not sufficient to purchase minimum annuity as defined in clause 5 of Schedule I of IRDAI (Insurance Products) Regulations, 2024, as amended from time to time, such proceeds of the policy may be paid to the policyholder or beneficiary as lump sum.

D. Death Benefit

On death of the life insured(s) during the policy term

Option 1	Option 2 & 3
In case of death of the life insured during the policy term for an in-force policy (all due premiums have been paid), the death benefit payable shall be as below: Highest of: • Total Premiums Paid up to date of death accumulated at a rate of 7% per annum compounded annually; or	In case of death of the last surviving life during the policy term If the last surviving life is Primary Life Assured: Highest of: • Total Premiums Paid up to date of death accumulated at a rate of 7% per annum compounded annually; or • 105% of Total Premiums Paid (excluding loading for modal premiums and discount) up to date of death; or • Surrender Value on the date of death. If the last surviving life is Secondary Life Assured:

Option 1	Option 2 & 3
• 105% of Total Premiums Paid up to date of death; or • Surrender Value on the date of death. The policy shall terminate upon the death of the insured during the policy term and no other benefit under the policy shall be payable.	Highest of: • Total Premiums Paid up to date of death accumulated at a rate of 7% per annum compounded annually; or • 'Secondary Life Death Benefit' as defined below; or • Surrender Value on the date of death. In an event of simultaneous death of both the life assureds, secondary life shall be treated to have died last for the purpose of death benefit calculation The policy shall terminate upon the death of last surviving life during the policy term and no other benefit under the policy shall be payable.

Waiver of Premium under Option 3

In case of death of primary life during premium payment term, provided the secondary life is alive and all due premiums have been paid, the outstanding premiums shall be waived off by the Company as and when due, and the policy shall continue until the death of secondary life or vesting, whichever is earlier.

Once the waiver of outstanding premium benefit is triggered, no alterations under the policy will be allowed thereafter.

Options to avail Death Benefit

If the life insured(s) dies during the policy term, the nominee shall exercise one of the following options:

i. To utilize the entire proceeds of the policy or part thereof for purchasing an immediate annuity or deferred annuity from the Company at the then prevailing rate. However, the nominee shall also have an option to purchase an immediate annuity or deferred annuity from another insurer at the then prevailing rate to the extent of percentage, as stipulated by the Authority, currently 50%, of the entire proceeds of the policy net of commutation.

ii. Withdraw the entire proceeds of the policy

If the nominee utilizes 100% of the entire proceeds from the policy net of commutation to purchase an annuity from the Company, then the company shall add a booster of 0.5% of such proceeds

In case the death benefit is not sufficient to purchase minimum annuity as stipulated by the Authority from time to time, the proceeds of the policy may be paid as lump sum.

E. Access to benefits/pay out if this product is purchased as QROPS (Qualifying Recognized Overseas Pension Scheme), through transfer of UK tax relieved assets

Notwithstanding anything stated under this document, the following terms and conditions shall apply to QROPS policyholders:

i. Benefits on Surrender:

If this product is purchased as QROPS through transfer of UK tax relieved assets, access to benefits from policy proceeds both in the form of commutation and Annuitisation, would be restricted till the policyholder attains 55 years of age or the policy acquires GSV, whichever is later

ii. Cancellation in the Free-Look Period

If this product is purchased as QROPS through transfer of UK tax relieved assets, the proceeds from cancellation in free look period shall only be transferred back to the Fund House from where the money was received.

"Total Premiums Paid" means total of all the premiums paid, excluding any extra premium, any rider premium and, if collected explicitly.

"Annualised Premium" shall be the premium payable in a year under a non-single pay option chosen by the policyholder, excluding the taxes, rider premiums, underwriting extra premiums, loading for modal premiums, if any.

"Single Premium" shall be the premium payable under a single pay option chosen by the policyholder, excluding the taxes, rider premiums, underwriting extra premiums, if any.

"Reduced Paid-up (RPU) Factor" shall be a ratio calculated as the total period for which premiums have already been paid by the policyholder or the Company under Option 3, if any, post waiver of premium benefit has been triggered, divided by the maximum period for which premiums were originally payable.

"Sum Assured on Vesting" shall be the absolute amount of benefit which is guaranteed to become payable on vesting of the policy provided all due premiums have been paid. The Sum Assured on Vesting is expressed as a percentage of Total Premiums Payable (excluding loading for modal premiums and discount).

"Secondary Life Death Benefit" shall be percentage of Total Premiums Paid (excluding loading for modal premiums and discount) up to date of death including the premiums paid by the Company under Option 3, if any, post waiver of premium benefit has been triggered. Death benefit varies by the age at entry of Secondary Life

Grace Period

A Grace Period of fifteen (15) days for monthly mode and thirty (30) days for all other modes, from the due date will be allowed for payment of each subsequent premium. The Policy will remain in force during this period. If the full premium for the first policy year remains unpaid at the end of their grace period the policies shall lapse from the due date of the first unpaid premium

Lapse

On discontinuance of payment of premium during the first policy year, provided one full premium is not paid, the policy will lapse and no further benefits shall be paid. The policy can be revived within the period of 5 years from the due date of first unpaid premium by payment of all due premiums together with interest. Upon revival of the policy, all benefits shall be restored and be applicable with effect from the date of revival

The policy will be terminated at the end of revival period if not revived.

Reduced Paid Up

If you stop paying premiums after the policy has acquired a surrender value, your policy will be made paid-up at the end of the grace period.

The benefits to be paid in case of reduced paid-up policies are as follows.

RPU Death Benefit:

Option 1:

On death during the policy term, death benefit shall be highest of:

- Total Premiums Paid (excluding loading for modal premiums and discount) up to date of death accumulated till the first unpaid premium instalment at a rate of 7% per annum compounded annually
- 105% of Total Premiums Paid (excluding loading for modal premiums and discount) up to date of death

Option 2 & 3:

On death of the last surviving life during the policy term, death benefit shall be highest of:

- Total Premiums Paid (excluding loading for modal premiums and discount) up to date of death accumulated till the first unpaid premium instalment at a rate of 7% per annum compounded annually
- 105% of Total Premiums Paid (excluding loading for modal premiums and discount) up to date of death in case last surviving life is primary life assured or 'Secondary Life Death Benefit' as defined above in case last surviving life is secondary life assured.

RPU Survival Benefit: Not applicable

RPU Maturity/Vesting Benefit:

A Limited Pay paid-up policy shall continue to accrue guaranteed additions at the end of each completed policy year, however, at a lower rate, defined as Paid-up Guaranteed Additions.

The Paid-up Guaranteed Additions shall commence from the policy year during which the policy entered paid-up status and are defined as:

- 4%* Paid-up Sum Assured on vesting * [(Policy Term minus Premium Payment Term) / (Policy term minus paid-up period)]

In case of Regular Pay policy, paid-up guaranteed additions shall not accrue after the policy has acquired the reduced paid-up status.

The Reduced Paid-up vesting benefit for a paid-up policy shall be the aggregate of:

- Paid-up Sum Assured on vesting
- Guaranteed Additions (accrued before the policy became paid-up)
- Paid-up Guaranteed Additions (accrued from the year the policy became paid-up provided two full years premiums are paid), if any
- Vesting Addition * Reduced Paid-up Factor (provided two full years premiums are paid)

Where,

"Paid-up Period" is defined as the total period (complete policy years) for which premiums have already been paid in the policy by the policyholder

"Paid-up Sum Assured on Vesting" shall be the Sum Assured on Vesting multiplied by the Reduced Paid-up Factor.

Any Partial Withdrawal already paid shall be duly allowed for while computing the Paid-Up Sum Assured.

Surrender Benefit: The surrender benefit as detailed below shall be payable.

Such reduced paid-up policies can be revived within the period of 5 years from the due date of first unpaid premium by payment of all due premiums together with interest. Upon revival of the policy, all benefits shall be restored and be applicable with effect from the date of revival.

Revival

If a premium is in default beyond the Grace Period and subject to the Policy not having been surrendered, it may be reinstated/revived, within five years after the due date of first unpaid premium and before the date of maturity, subject to: (i) Policyholder's written application for reinstatement/revival; (ii) production of Insured's current health certificate and other evidence of insurability, satisfactory to the Company; and (iii) payment of all overdue premiums with interest.

The evidences and any medical requirements called for are in line with the prevailing underwriting guidelines duly approved by the Board & the health declaration by the life insured(s).

Any reinstatement/revival shall only cover loss or insured event which occurs after the reinstatement/revival date.

Any evidence of insurability requested at the time of reinstatement/revival will be based on the prevailing underwriting guidelines duly approved by the Board. The reinstatement/revival will be based on the Board approved underwriting policy.

The applicable interest rate for revival is determined using the SBI domestic term deposit rate for '1 year to less than 2 years', plus 2%. The rate of interest on revival with effect from 1st October 2024 is 8.98% simple p.a.(i.e. SBI interest rate of 6.98% + 2%) plus applicable taxes.

The interest rate applicable is reviewed every 6 months and gets updated as per the given formula. Any alteration in the formula will be subject to prior approval of IRDAI.

Surrender Benefit

The policy will acquire a surrender value during the policy term basis the premium paying term as defined below.

Premium Paying Term	Surrender Value
Less than 5 Pay	Payable immediately at any point during the policy term provided at least first full year's premiums have been paid
Greater than or equal to 5 Pay	Payable after completion of first policy year provided at least full year's premiums have been paid

The surrender value payable is higher of the Guaranteed Surrender Value (GSV) or Special Surrender Value (SSV).

- Guaranteed Surrender Value =

  GSV Factor 1 * Total Premiums Paid (excluding loading for modal premiums and discount) + GSV Factor 2 * accrued Guaranteed Additions
- Special Surrender Value (SSV) is determined by the company from time-to-time basis changing economic scenario. The Company may revise SSV based on then prevailing market conditions. Any change in the methodology/formula for calculating SSV shall be subject to IRDAI approval.

Options to avail Surrender Benefit

On the date of surrender the policyholder shall be allowed:

i. To commute up to 60% and utilize the balance amount to purchase an immediate annuity or deferred annuity from the Company at the then prevailing annuity rates.

ii. To purchase an immediate annuity or deferred annuity from another insurer at the then prevailing annuity rates to the extent of percentage, stipulated by the authority, currently 50%, of the entire proceeds of the policy net of commutation.

If the policyholder utilizes 100% of the entire proceeds from the policy net of commutation to purchase an annuity from the Company, then the company shall add a booster of 0.5% of such proceeds In case the proceeds of the policy on surrender is not sufficient to purchase minimum annuity as defined in clause 5 of Schedule I of IRDAI (Insurance Products) Regulations, 2024, as amended from time to time, such proceeds of the policy may be paid to the policyholder as lump sum.

Partial Withdrawal

This feature allows you to encash up to 25% of total premiums paid as on the date of partial withdrawal, subject to following conditions:

- It can be made only after completion of 3 years from the date of commencement of the policy during deferment period.
- The amount of partial withdrawal shall be treated as preponement of the commuted portion of the surrender / vesting benefit.
- Partial withdrawal will not result into termination of the contract.
- Partial withdrawal will not be used for the adjustment of sum assured on death.
- Partial Withdrawal shall be allowed only three times during the entire term of the policy (deferment period)
- Partial Withdrawal shall be allowed only against the stipulated reasons:
    - Higher education of children, including legally adopted child
    - Marriage of children, including legally adopted child.
    - Purchase or construction of a residential house or flat in the Life Assured's own name or in joint name with their legally wedded spouse. However, if the Life assured already owns a residential house or flat (other than ancestral property), no withdrawal shall be permitted
    - For treatment of critical illnesses of self or spouse
    - Medical and incidental expenses arising from disability or incapacitation suffered by the life assured.
    - Expenses incurred by the life assured for skill development/reskilling or any other self-development activities.
    - Expenses incurred by the Life assured for the establishment of her/his own venture or any start-ups.

Policy Loan

Provided that the policy acquires Surrender Value, policyholders may apply for a policy loan for such an amount within the extent of 80% of Surrender Value. The Policy must be assigned to Tata AIA Life.

Loan Interest

Daily interest shall accrue on policy loan at a rate which the company shall determine. Interest shall be payable on each policy anniversary after the loan date and until the loan is repaid. Any unpaid interest shall be added to the principal loan and bear interest at the same rate.

The loan outstanding shall be recovered from the claim proceeds under the policy. However, the policyholder has the flexibility to repay the loan principal or any part thereof at any time during the policy term before termination.

For inforce and fully paid up policies, the policy will not be foreclosed if the outstanding loan amount including interest exceeds the surrender value. However, for other than in-force and fully paid up policies, if the outstanding loan amount including interest exceeds the surrender value, the policy will be foreclosed after giving intimation and reasonable opportunity to the policyholder to continue the policy.

In our endeavor to create a thriving ecosystem for MSME customers, we wish to encourage MSME owners who are policyholders of Tata AIA Life, by offering lower interest rate for policy loan.

Interest rate applicable to policy loan will be equal to:

- Female policyholders who are MSME owners: Prevailing SBI (State Bank of India) domestic term deposit interest rate for tenure '1 year to less than 2 years' + 1%
- Non female policyholders who are MSME owners: Prevailing SBI (State Bank of India) domestic term deposit interest rate for tenure '1 year to less than 2 years' + 1.5%
- Policyholders who are not MSME owners: Prevailing SBI (State Bank of India) domestic term deposit interest rate for tenure '1 year to less than 2 years' + 2%.

This formula will be reviewed annually and only altered subject to prior approval of IRDAI. The interest rate on loans are verified & updated on our company's systems every six months (on 1st April & 1st Oct every year) as per the given formula. The current interest rate for Loan from 1st October 2024 is

- Female policyholders who are MSME owners: 7.98% p.a. (i.e. SBI interest rate of 6.98% + 1.00%) compounding annually.

- Non female policyholders who are MSME owners: 8.48% p.a. (i.e. SBI interest rate of 6.98% + 1.50%) compounding annually.
- Policyholders who are not MSME owners: 8.98% p.a. (i.e. SBI interest rate of 6.98% + 2%) compounding annually.

Riders

The below mentioned rider(s) would be available with the base product:

- Tata AIA Life Insurance Non-Linked Comprehensive Protection Rider (UIN:110B033V02 or any other later version)
- Tata AIA Vitality Health (UIN: 110B045V02 or any later version)
- Tata AIA Vitality Protect (UIN: 110B046V02 or any later version)

These riders can be attached subject to the rider premium payment term and the policy term shall not be more than the outstanding premium payment term and outstanding policy term for the base plan.

Any minimum and maximum sum assured limits on the above riders (as stipulated in the respective rider filing) will remain applicable, irrespective of the fact that lower or higher death benefit might be applicable as the base death cover under this plan.

The rider sum assured shall not exceed the death benefit under the base plan except for accidental death benefit riders.

If there is overlap in benefit offered under different riders with the base product, then that benefit under the rider will not be offered.

Such rider attachments will be as per the 'Board approved underwriting policy' (BAUP) of the Company. The riders shall be offered in compliance with the provisions of IRDAI (Protection of Policyholders' Interests, Operations and Allied Matters of Insurers) Regulations, 2024.

Terms and Conditions:

A. Freelook period:

If the Policyholder is not satisfied with the terms & conditions of the policy, s/he has the right to cancel the Policy by providing written notice to the Company and receive a refund of all premiums paid without interest after deducting a) Proportionate risk premium for the period on cover, b) Stamp duty, and medical examination costs (including goods and services tax) which have been incurred for issuing the Policy. In case any survival benefit has been paid before processing of the Free Look cancellation amount, we shall recover the same from the refund amount due to the policyholder.

Such notice must be signed by the Policyholder and received directly by the Company within 30 days after the Policyholder receives the Policy Document, whether the policy is sourced electronically or otherwise.

B. Suicide Provisions

In case of death due to suicide within 12 months, from the date of commencement of risk under the policy or from the date of revival of the policy, as applicable, the nominee or beneficiary of the policyholder shall be entitled to at least 80% of the Total Premiums Paid till the date of death or the surrender value available as on the date of death whichever is higher, provided the policy is in force. The policy shall terminate and no further benefits shall be payable.

In case of joint life policy, the above clause is applicable on first death (of either of the two lives) due to suicide within 12 months from the commencement of risk under the policy.

C. Alteration:

No alterations apart from those mentioned below can be made after the product has been purchased:

- Change of Modes of Premium
- Change of Nomination/ Assignment/ Appointee
- DOB correction

D. Nomination:

The nomination shall be in accordance with Section 39 of the Insurance Act, 1938 and amended from time to time.

E. Assignment:

The policyholder also has the right to assign the policy in accordance with Section 38 of the Insurance Act, 1938 and amended from time to time.

F. Prohibition of Rebates:

Section 41 - of the Insurance Act, 1938, as amended from time to time

No person shall allow or offer to allow, either directly or indirectly, as an inducement to any person to take out or renew or continue an insurance in respect of any kind of risk relating to lives or property in India, any rebate of the whole or part of the commission payable or any rebate of the premium shown on the Policy, nor shall any person taking out or renewing or continuing a Policy accept any rebate, except such rebate as may be allowed in accordance with the published prospectuses or tables of the Insurer.

G. Fraud, Misstatement or Suppression

Any fraud, misstatement, or suppression of a material fact under the policy shall be dealt as per the provisions of Section 45 of the Insurance Act 1938 as amended from time to time.

Section 45 – Policy shall not be called in question on the ground of mis-statement after three years

Provisions regarding Policy not being called into question in terms of Section 45 of the Insurance Act, 1938, as amended by Insurance Laws (Amendment) Act, 2015 are as follows:

1. No Policy of Life Insurance shall be called in question on any ground whatsoever after expiry of 3 years from
   a) the date of issuance of Policy or
   b) the date of commencement of risk or
   c) the date of revival of Policy or
   d) the date of rider to the Policy

   whichever is later.
2. On the ground of fraud, a Policy of Life Insurance may be called in question within 3 years from
   a) the date of issuance of Policy or
   b) the date of commencement of risk or
   c) the date of revival of Policy or
   d) the date of rider to the Policy

   whichever is later.

For this, the insurer should communicate in writing to the Life Assured or legal representative or nominee or assignees of insured, as applicable, mentioning the ground and materials on which such decision is based.

3. Fraud means any of the following acts committed by Life Assured or by his agent, with the intent to deceive the insurer or to induce the insurer to issue a life Insurance Policy:
   a) The suggestion, as a fact of that which is not true and which the Life Assured does not believe to be true;
   b) The active concealment of a fact by the Life Assured having knowledge or belief of the fact;
   c) Any other act fitted to deceive; and
   d) Any such act or omission as the law specifically declares to be fraudulent.
4. Mere silence is not fraud unless, depending on circumstances of the case, it is the duty of the Life Assured or his agent keeping silence to speak or silence is in itself equivalent to speak.
5. No Insurer shall repudiate a life Insurance Policy on the ground of Fraud, if the Life Assured/ beneficiary can prove that the misstatement was true to the best of his knowledge and there was no deliberate intention to suppress the fact or that such mis-statement of or suppression of material fact are within the knowledge of the insurer. Onus of disproving is upon the Policyholder, if alive, or beneficiaries.

6. Life Insurance Policy can be called in question within 3 years on the ground that any statement of or suppression of a fact material to expectancy of life of the Life Assured was incorrectly made in the proposal or other document basis which Policy was issued or revived or rider issued. For this, the insurer should communicate in writing to the Life Assured or legal representative or nominee or assignees of insured, as applicable, mentioning the ground and materials on which decision to repudiate the Policy of life Insurance is based.
7. In case repudiation is on ground of mis-statement and not on fraud, the premium collected on Policy till the date of repudiation shall be paid to the Life Assured or legal representative or nominee or assignees of insured, within a period of 90 days from the date of repudiation.
8. Fact shall not be considered material unless it has a direct bearing on the risk undertaken by the insurer. The onus is on insurer to show that if the insurer had been aware of the said fact, no life Insurance Policy would have been issued to the insured.
9. The insurer can call for proof of age at any time if he is entitled to do so and no Policy shall be deemed to be called in question merely because the terms of the Policy are adjusted on subsequent proof of age of Life Insured. So, this Section will not be applicable for questioning age or adjustment based on proof of age submitted subsequently.
