The investment allocations are managed by the company. It is a programmed investment strategy where the fund mix becomes more conservative as the plan approaches maturity. The funds will be invested in Equity Growth Fund – Pension (ULIF05419/02/09EQOPPPEN135) and Income Fund – Pension (ULIF05619/02/09INCOMEPEN135) based on the residual time to maturity of the policy. This strategy moves the fund allocation towards Income Fund – Pension as the plan approaches the maturity date. By reducing exposure to Equity Growth Fund-Pension, the risk of a sudden drop in the equity market affecting the accumulated value diminishes.

Balance/Residual time to maturity (in years) of the plan is used to determine the proportion of allocation to the Equity Growth Fund-Pension and Income Fund - Pension. This proportion is pre-defined by the Systemic Allocator “Glide Path”. The premiums will be allocated as per this glide path and at each policy anniversary, the Fund Value will be rebalanced as per the residual maturity of the plan. Glide Path is the proportion allocated to the Equity Growth Fund - Pension and

6. Life insurance Policy can be called in question within 3 years on the ground that any statement of or suppression of a fact material to expectancy of life of the insured was incorrectly made in the proposal or other document basis which policy was issued or revived or rider issued. For this, the Company will communicate in writing to the insured or legal representative or nominee or assignees of insured, as applicable, mentioning the ground and materials on which decision to repudiate the policy is based.
7. In case repudiation is on ground of mis-statement and not on fraud, the premium collected on policy till the date of repudiation shall be paid to the insured or legal representative or nominee or assignees of insured, within a period of 90 days from the date of repudiation.
8. Fact shall not be considered material unless it has a direct bearing on the risk undertaken by the Company. The onus is on the Company to show that if the Company had been aware of the said fact, no life insurance policy would have been issued to the insured.
9. The insurer can call for proof of age at any time if it is entitled to do so and no policy shall be deemed to be called in question merely because the terms of the policy are adjusted on subsequent proof of age of life insured. So, this Section will not be applicable for questioning age or adjustment based on proof of age submitted subsequently.
