		<table><tr><td>Less than 50 years</td><td>1.25 times Top Up Premium</td></tr><tr><td>50 years and above</td><td>1.10 times Top Up Premium</td></tr></table> The death benefit shall be at least 105% of the total premiums paid up to the date of occurrence of death. In case of death of the Life Assured when the policy fund is in Discontinued Policy Fund, only Discontinued Policy Fund shall be payable as death benefit. On payment of Death Benefit, the policy shall terminate and all rights, benefits and interests under the policy shall stand extinguished. **Survival Benefit excluding the payable on maturity:** There are no survival benefits under the plan. **Maturity Benefit:** On survival of the Life Assured till the date of maturity provided all premiums due till date are paid and policy is in force, Fund Value (inclusive of Return of Charges and Loyalty Addition) shall be payable. On such payment, the policy shall terminate and all rights, benefits and interests under the policy will stand extinguished. For details on Return of Charges and Loyalty Addition, Please refer the Policy Document. **Surrender:** **Surrender within the lock-in period of 5 years:** If you surrender the policy during lock-in period, the unit fund value after deducting applicable discontinuance charges shall be credited to the discontinued policy fund and risk cover and rider cover, if any, shall cease. The proceeds of the discontinued policy fund shall become payable at the end of the lock-in period. **Surrender after the lock-in period of 5 policy years:** In case you surrender the policy after lock-in period, the surrender value shall be at least equal to the unit fund value as on the date of surrender. However, once the policy is surrendered, it cannot be revived. On such payment, the policy will terminate and all rights, benefits and interests under the policy will stand extinguished. **Lock-in period:** 5 consecutive completed years from the date of commencement of the policy.	- Part C- 1 Part D- 10 Part B
